

Jim,
 I've been a great
 pleasure to have met
 such a nice guy as
 you, Jim. Next year
 sometime try to get
 in our swim team.
 And lot's of luck to
 you and in the future
 where ever you will be!
 Remember me always.
 Lot's of Luck,
 Grace
 Scaramitaro

Jim,
 It's been a great
 time knowing you
 with a swell girl
 stay like you are
 and you'll go to the
 top. Next year ought
 to be your year in
 swim. Practice hard
 and try and take
 state and state
 in the future
 Good Luck
 Jay Clarke

Jim,
 Good Luck
 Don't forget
 wish you
 all the best

Don't
 forget
 luck

Jim
Dote of such
in swim
your suffering

this

is

that was

the year

While it is being lived,
One year may seem a lifetime.
Looking back when it is finished,
It seems to have been only a breath of time—
The wink of an eye—a falling star.
This year was a special year—
An extraordinary year.
All are.
This year was different—unique.
Each is.
This year was old and young,
Gay and gloomy, flat and fresh, frantic and dull.
This is the year that was.

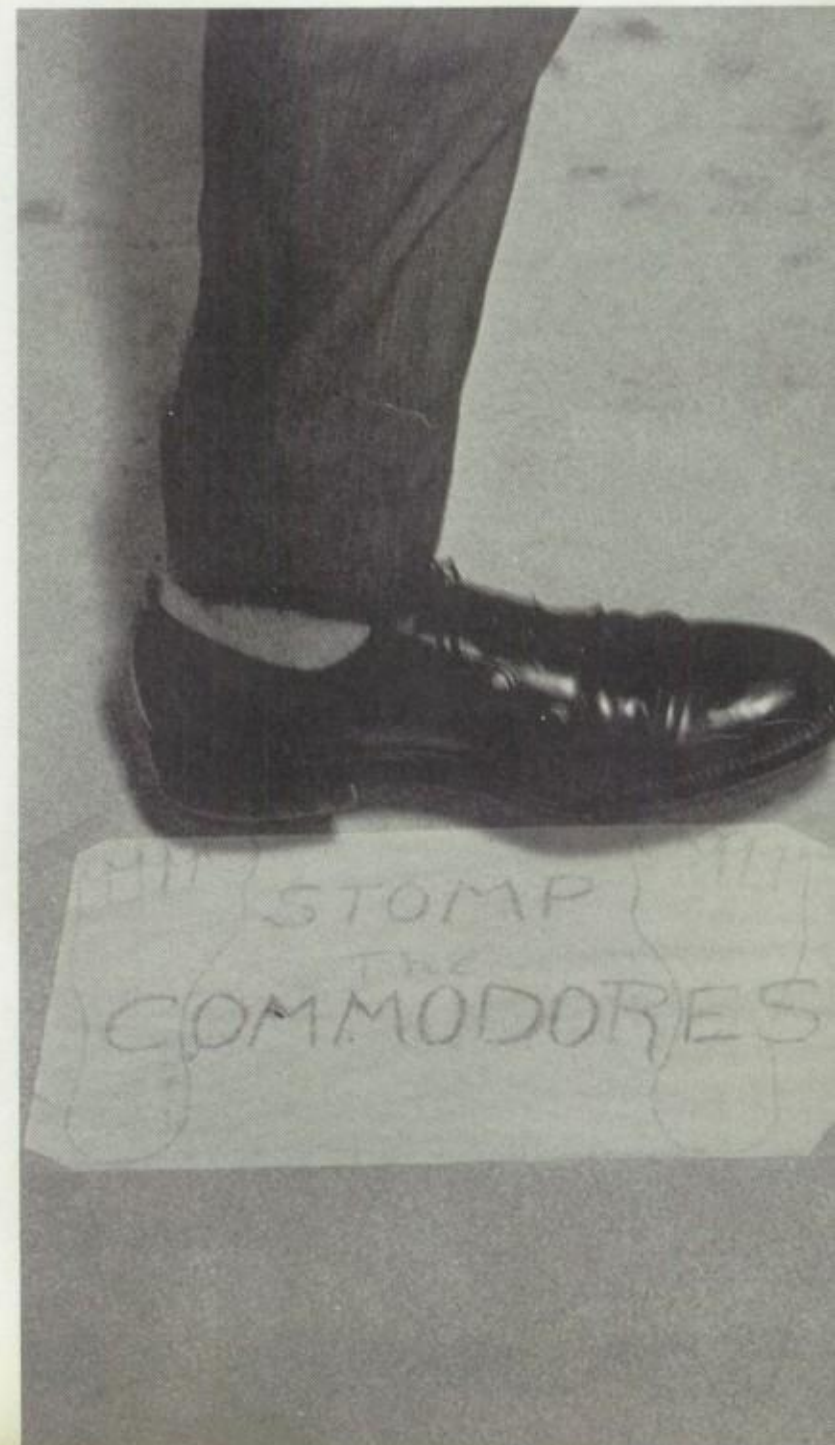

this is the year that was spirit...

fun...

A black and white photograph of a crowded classroom. Students are seated at their desks, which are filled with books and papers. The room is filled with a dense, handwritten-style text overlay in various colors (blue, green, red, black) and orientations. The text is a mix of words and phrases, some of which are repeated or written in a way that suggests a stream of consciousness or a collection of thoughts. The overall effect is one of a busy, cluttered environment, both visually and textually.

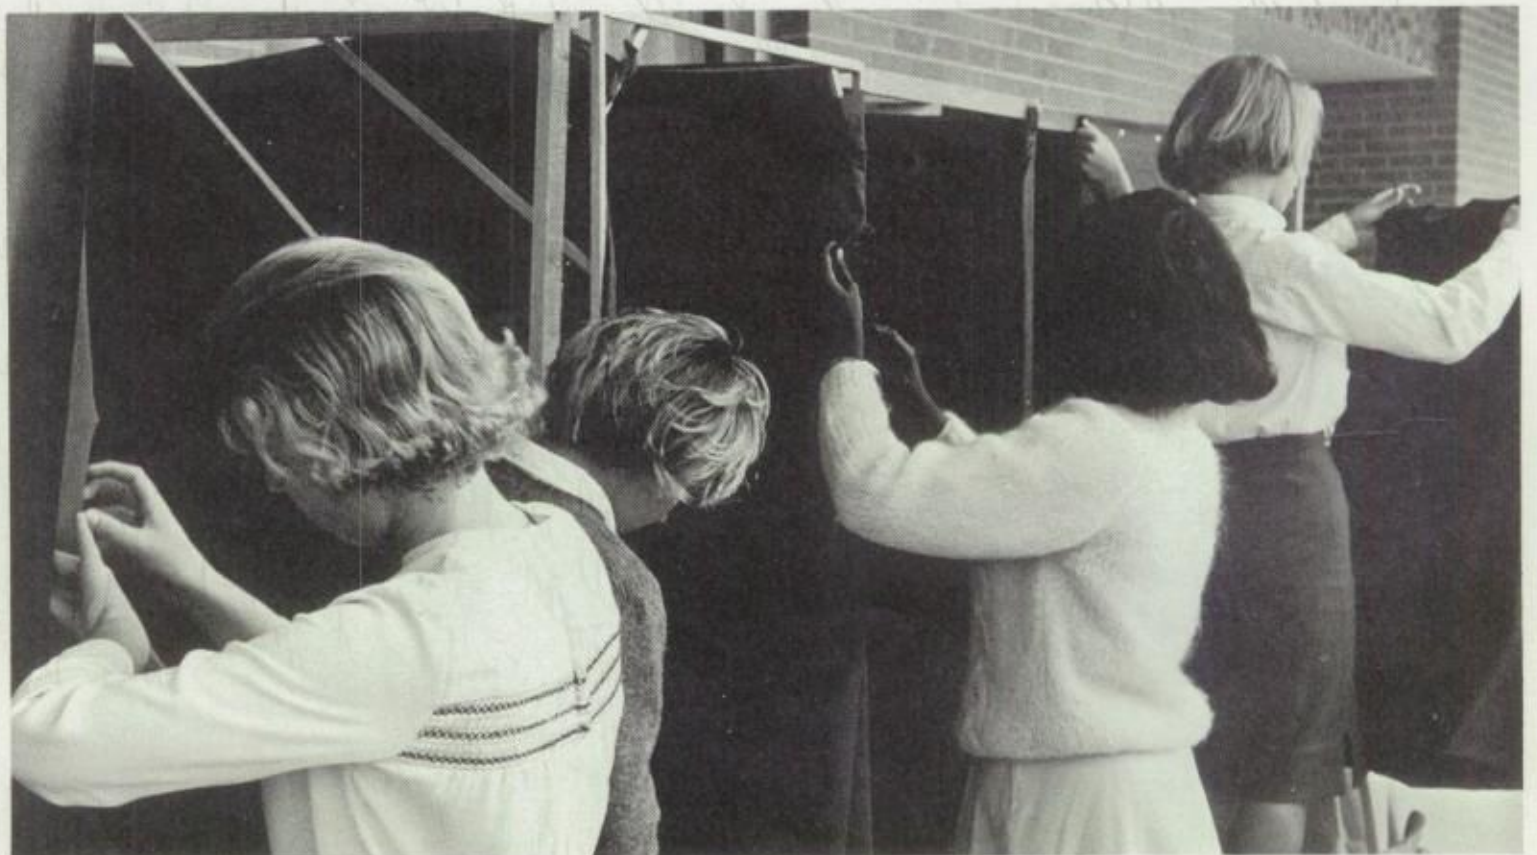

it was loneliness...

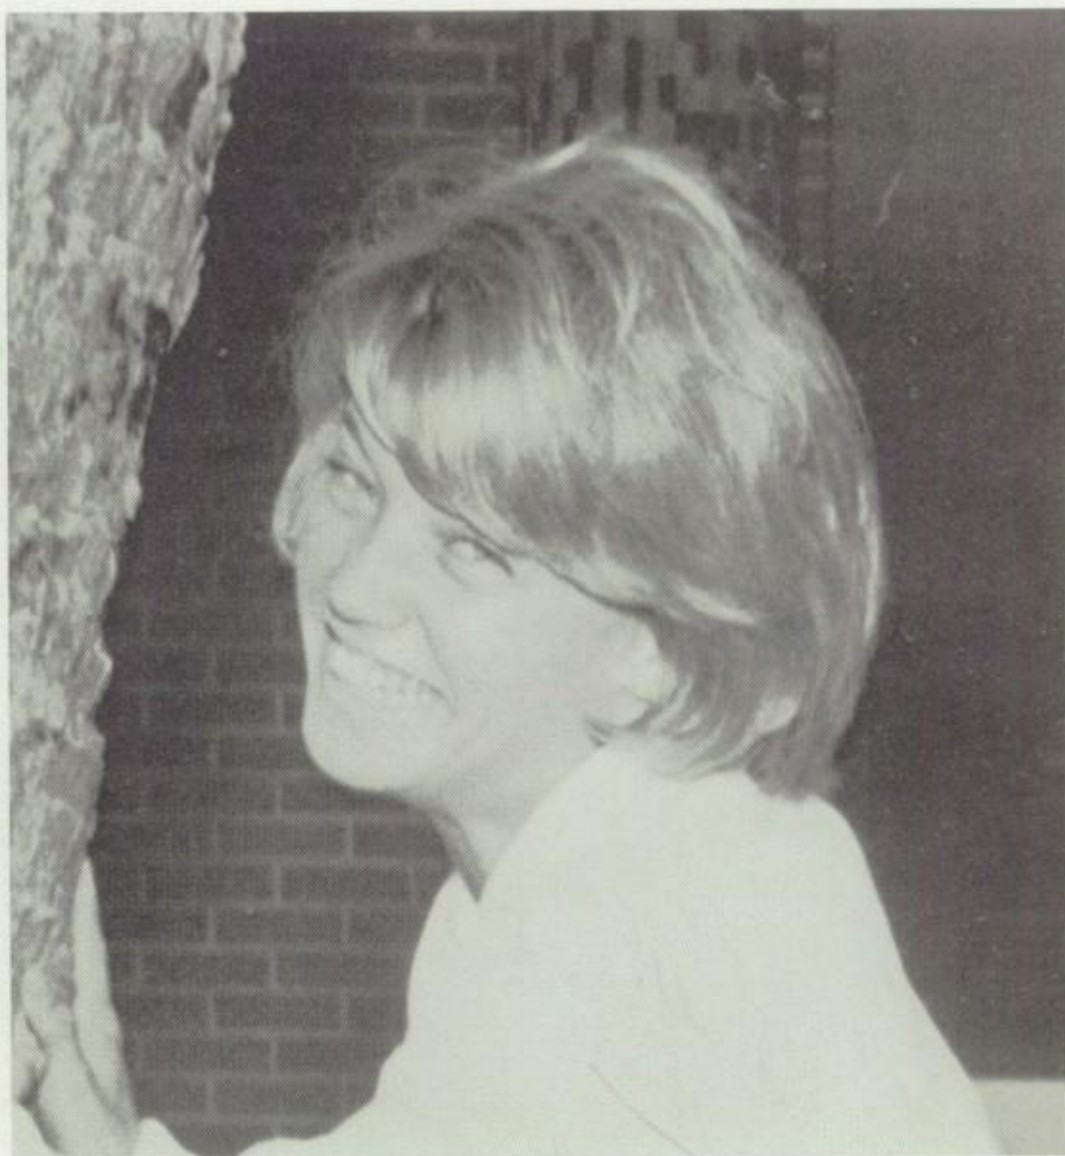

frustration...

things to do...

a time to be blue...

and it was smiles...

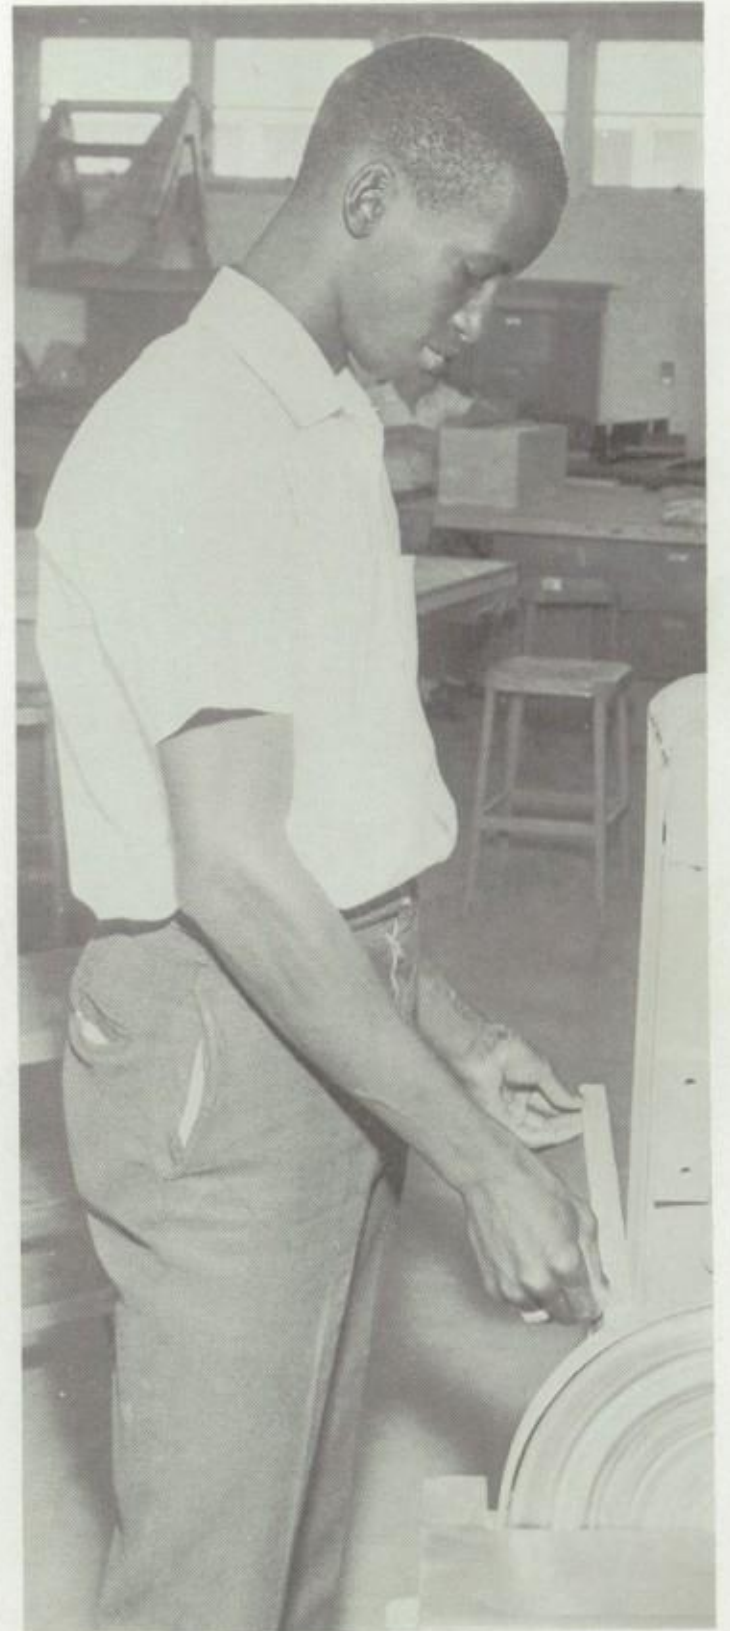

talent...

it was a grind...

and never enough time.

it was hard work...

homework...

slow work...

no work...

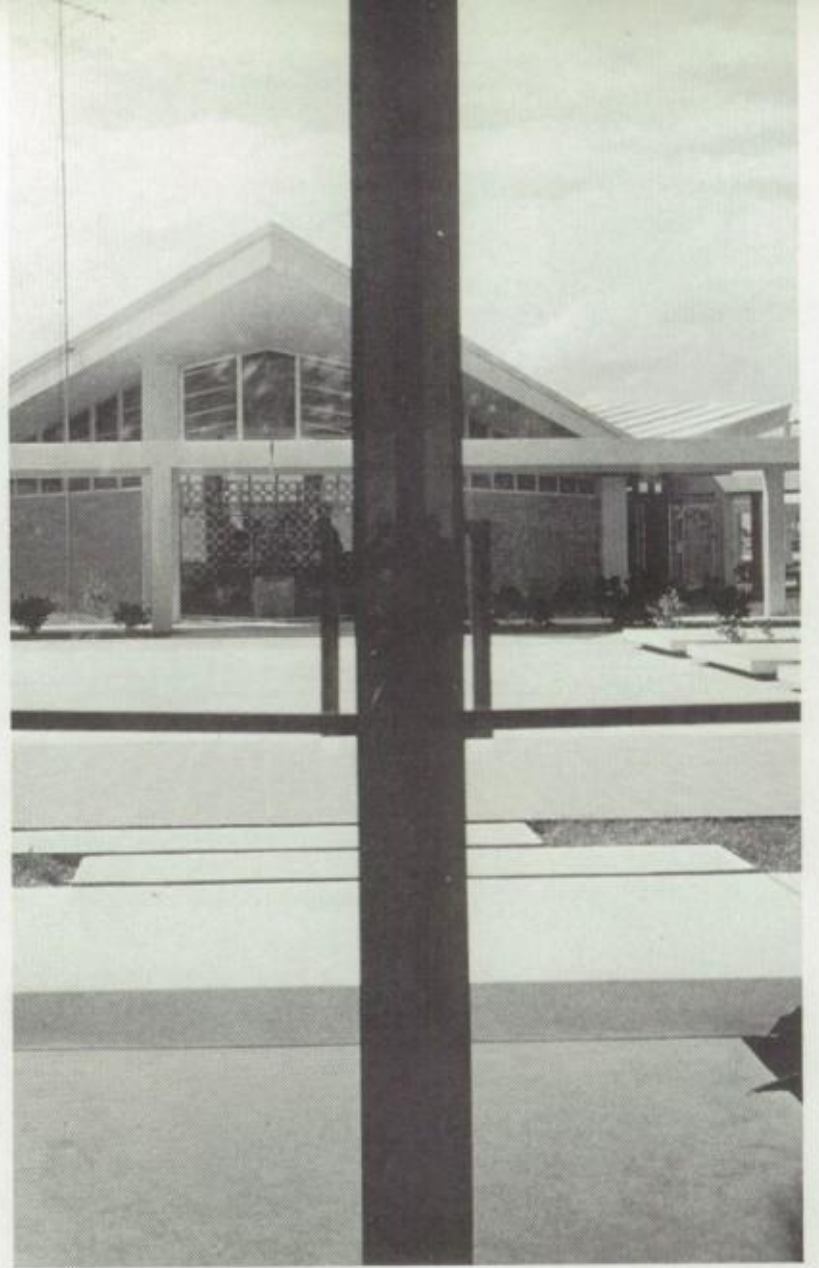

and it was lunch breaks...

headaches.

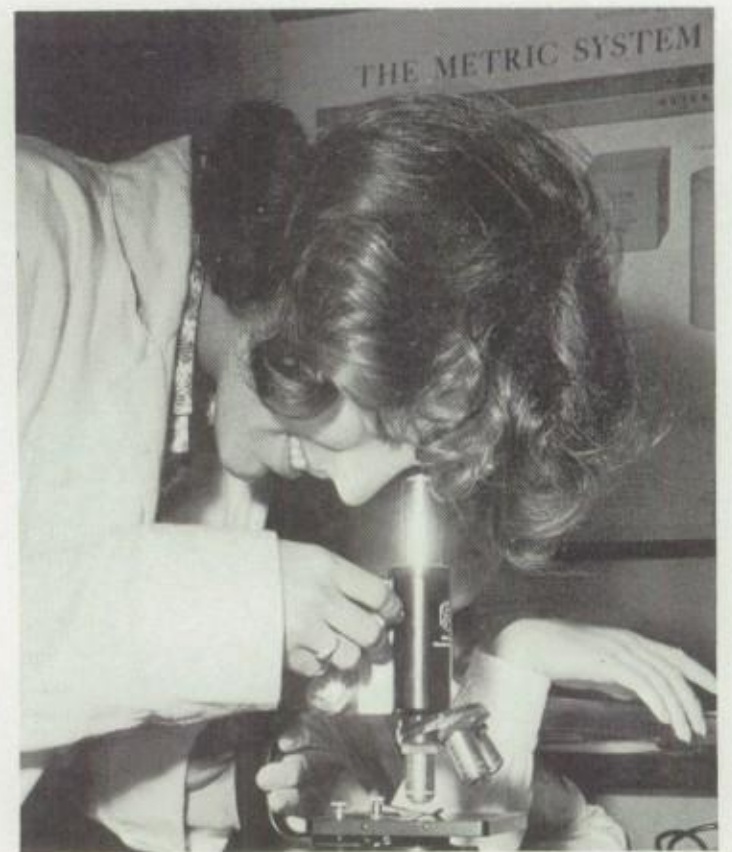

heartaches...

1965 was sound...

silence...

watching...

walking...

talking...

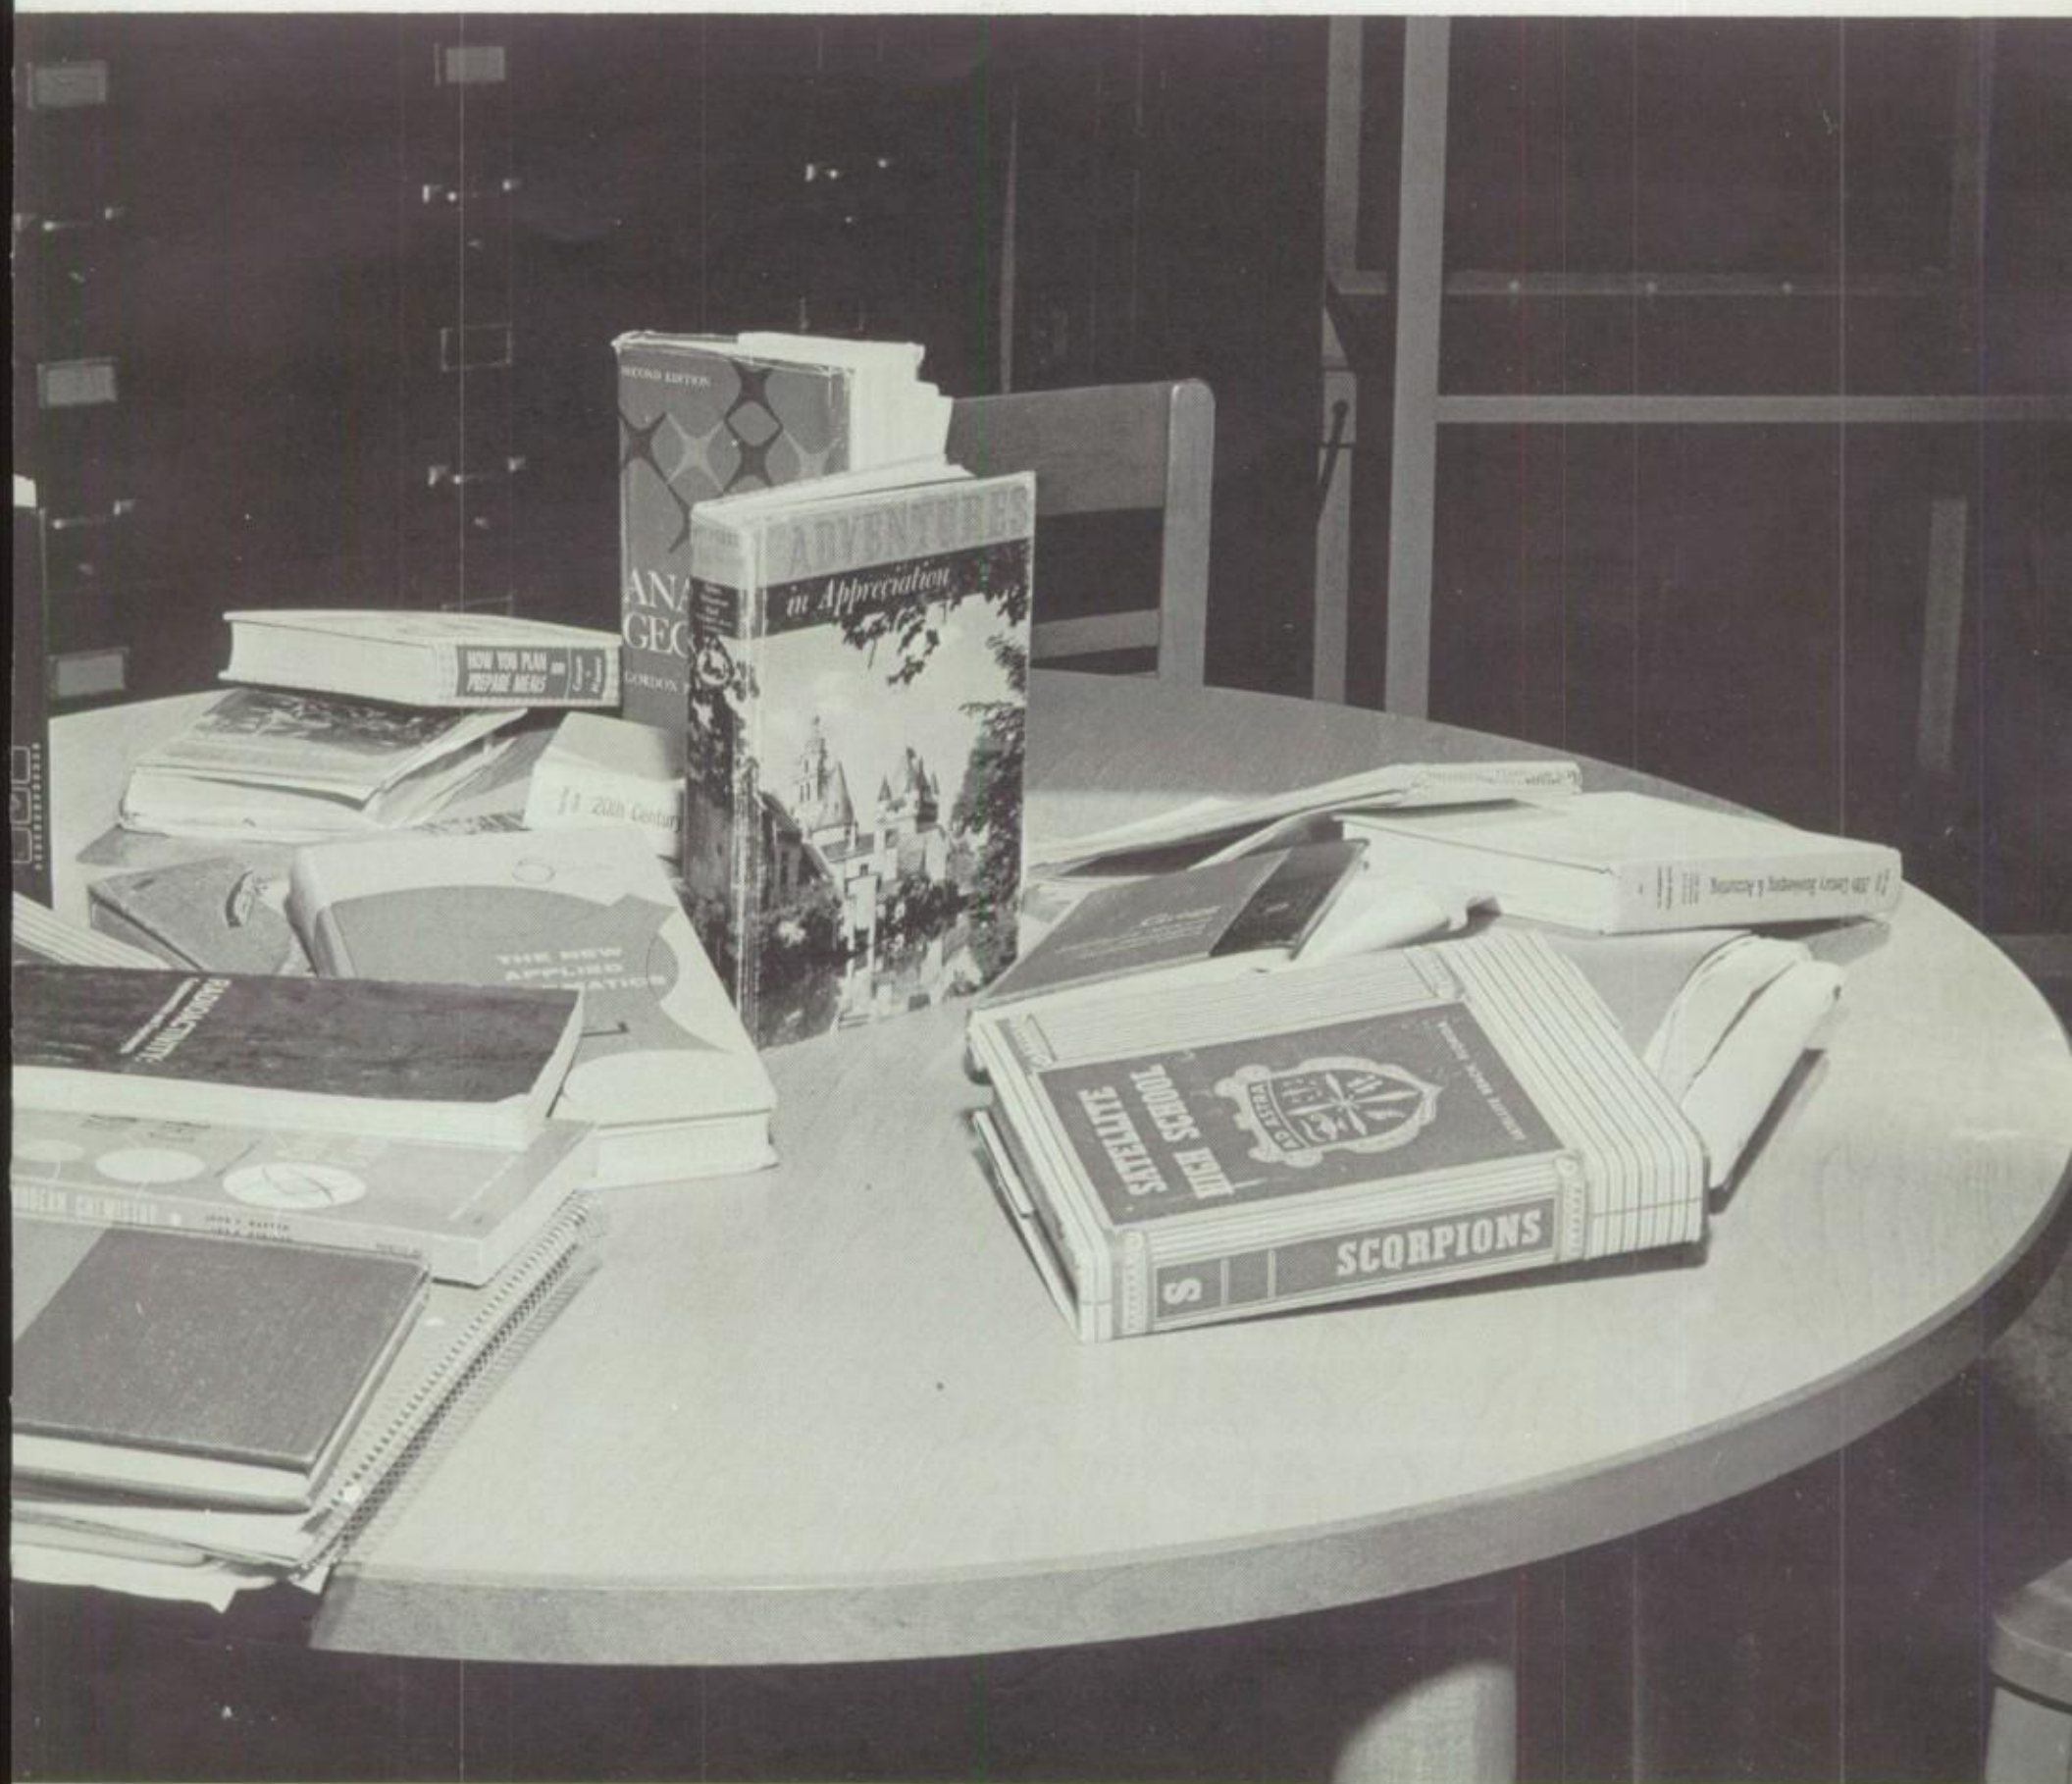

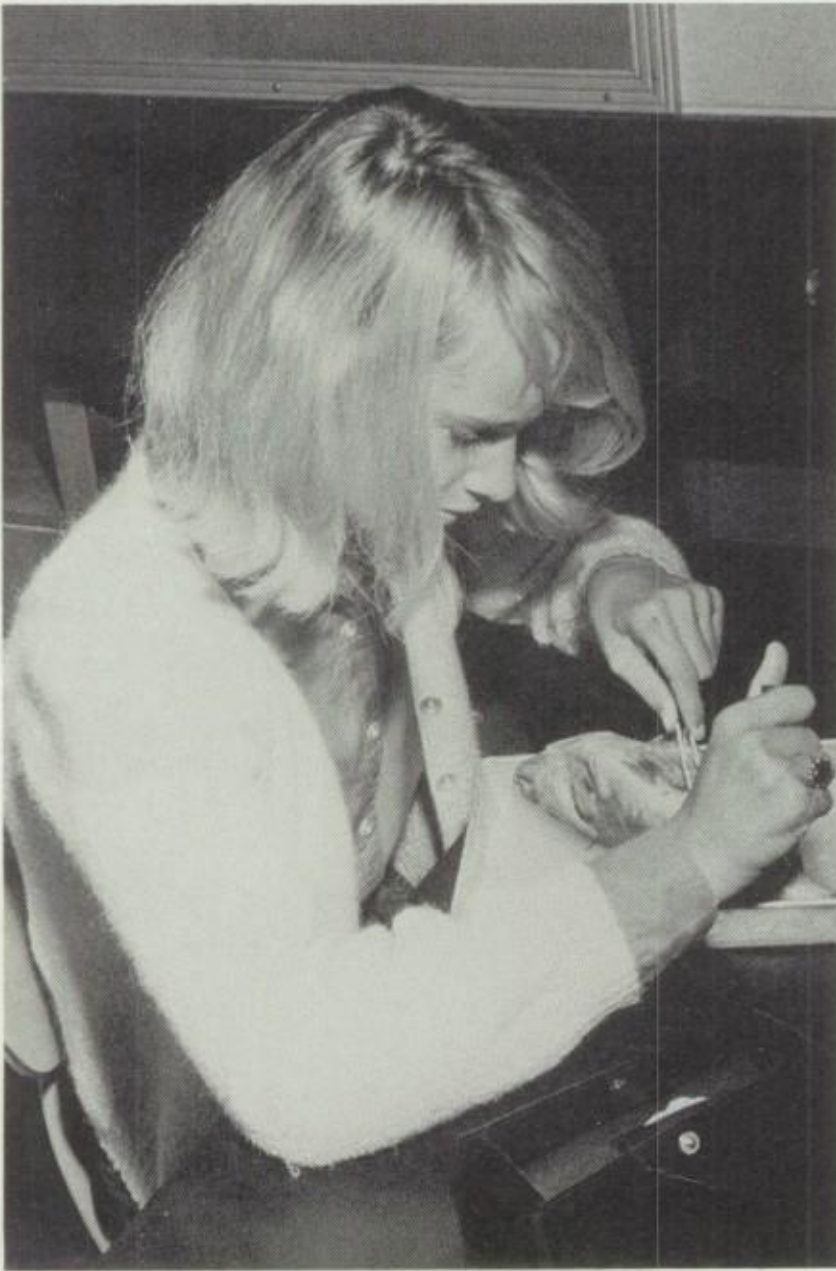

it was books...

books...

and more books.

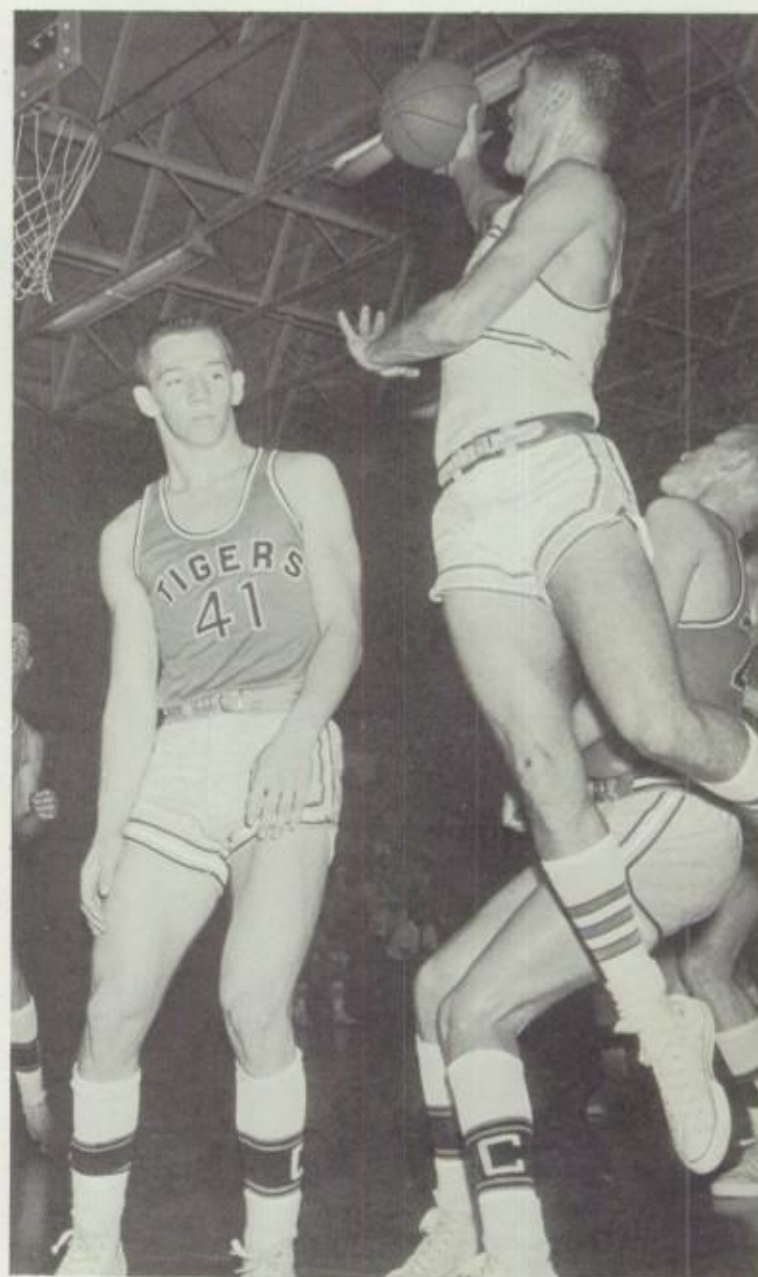

it was labs...

machines...

classroom themes...

athletic teams...

schemes...

dreams.

it was dances...

glances...

a crowd.

but most of all it was custodians...

cooks...

secretaries...

students...

students...

faculty...

faculty...

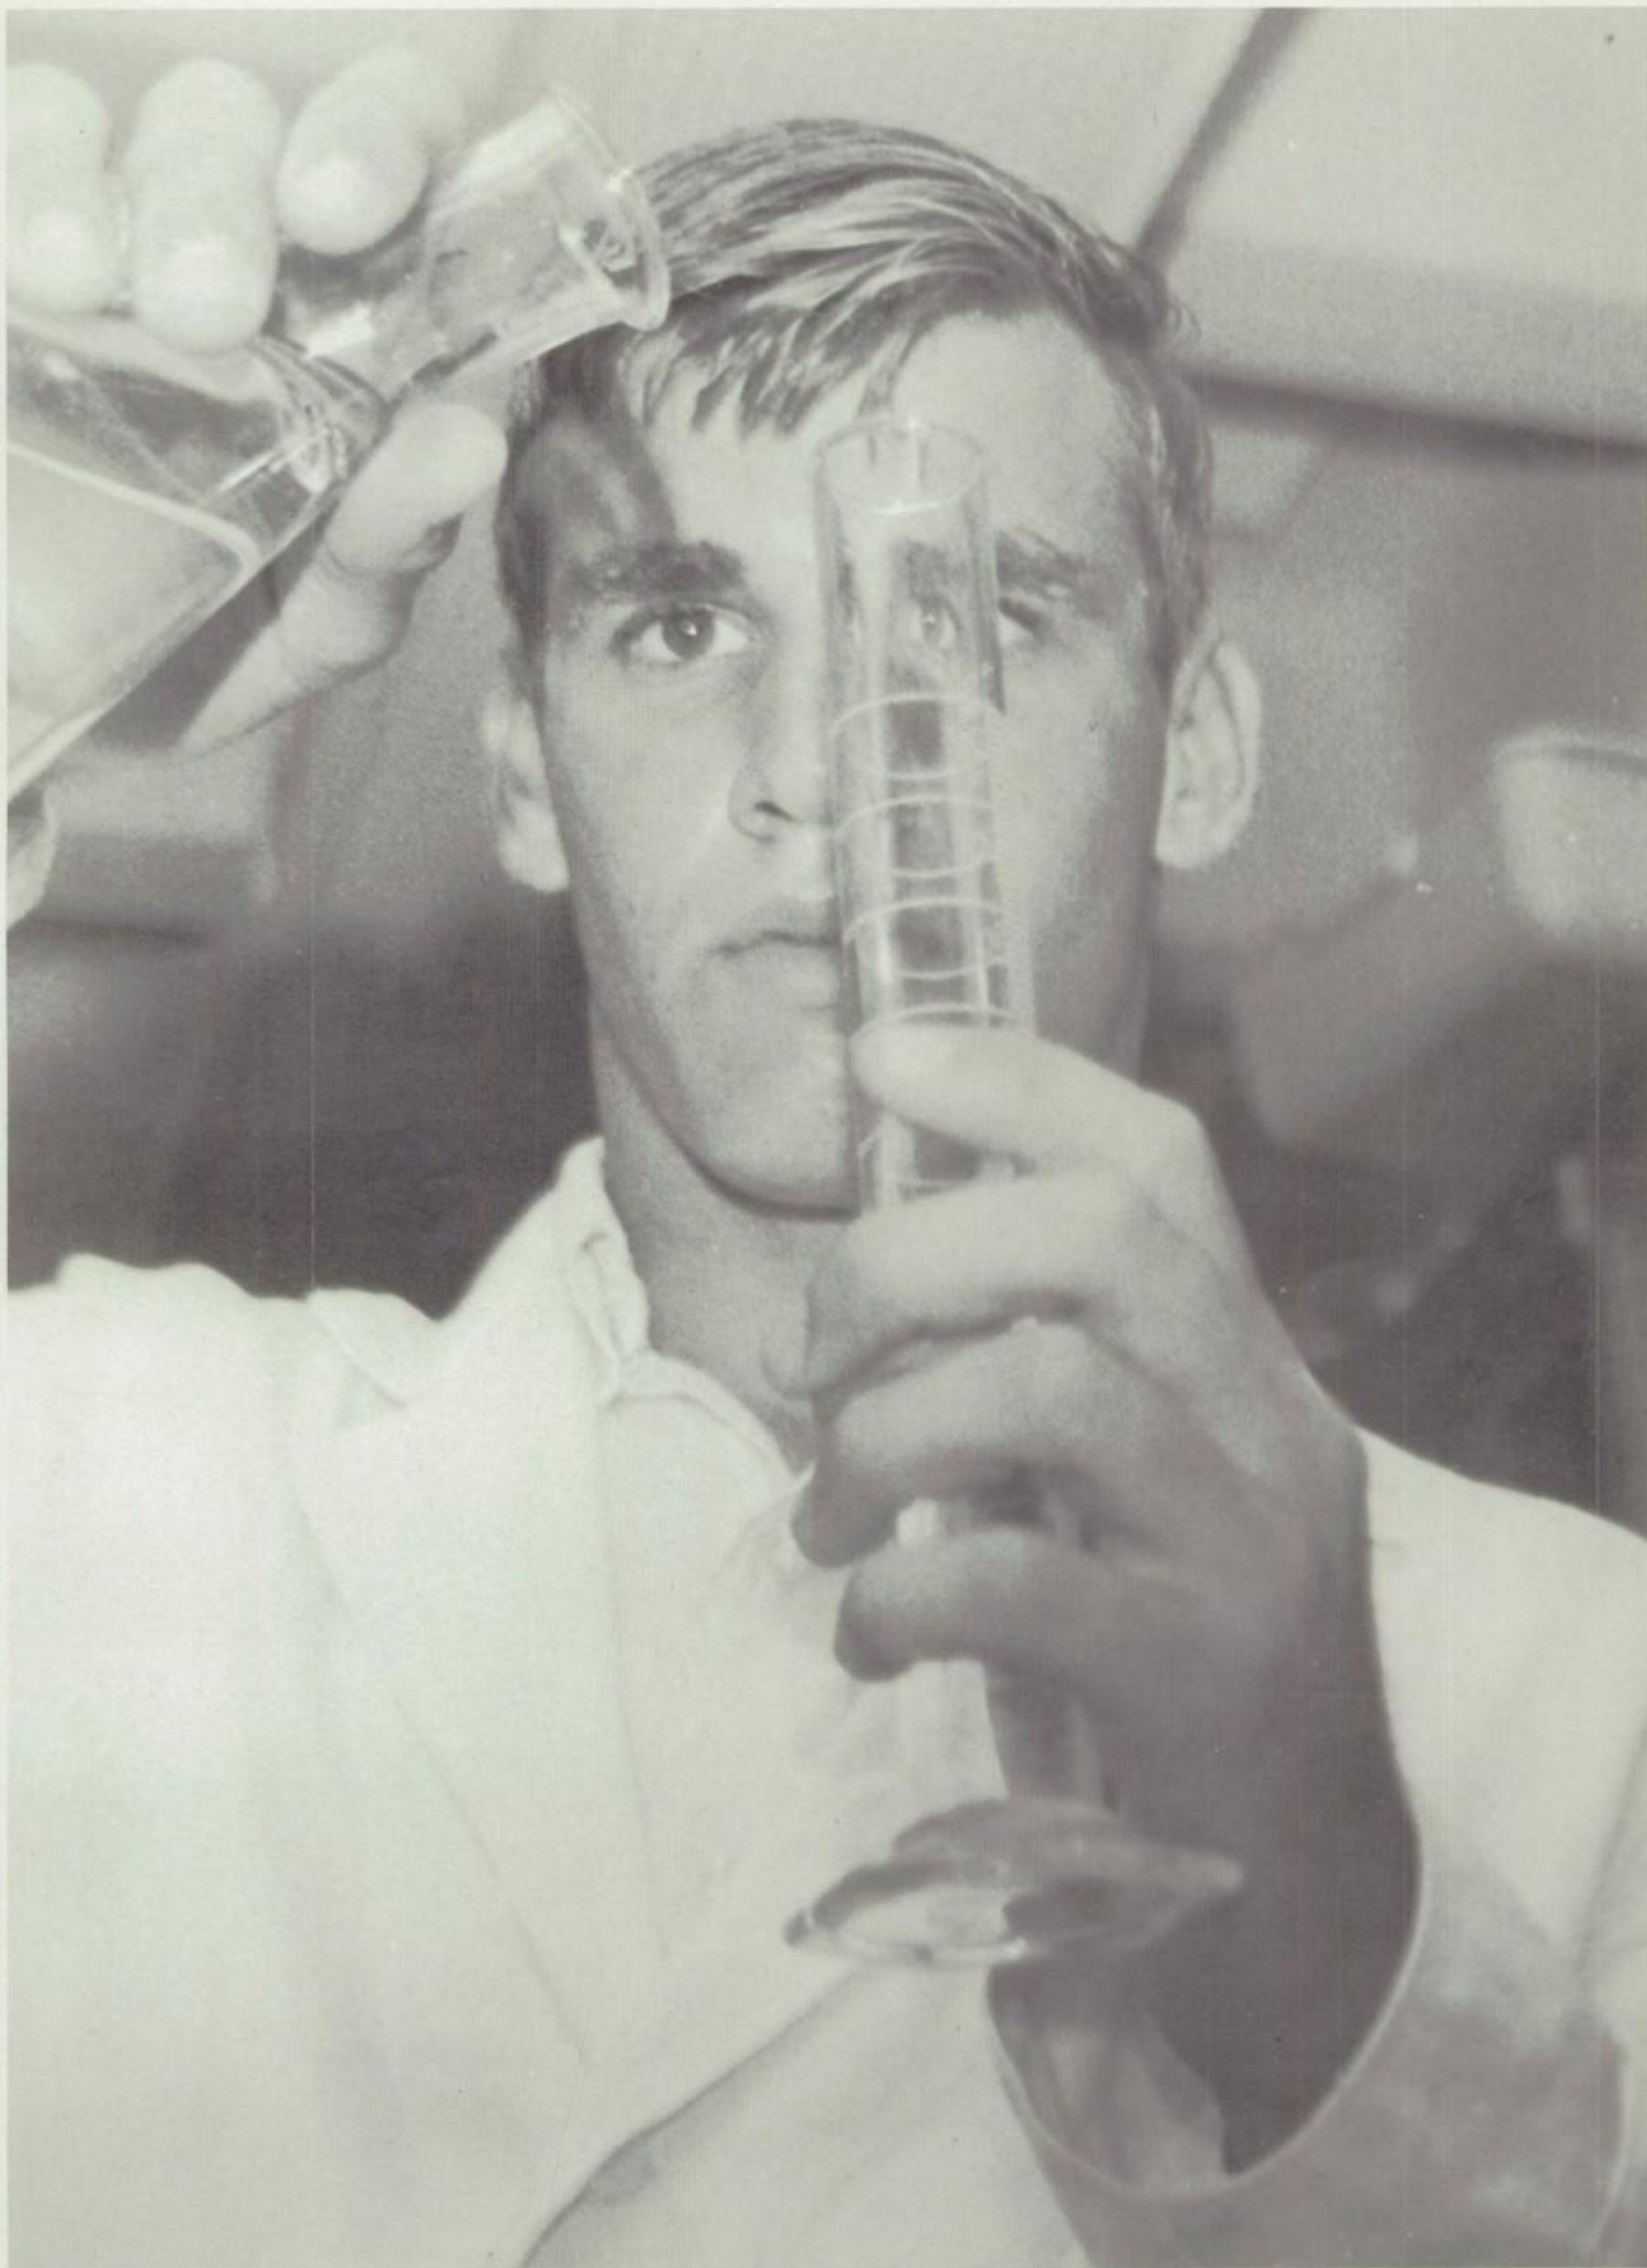

and more faculty.

this is the year that was
the leadership of others

academics

Mr. J. Al Denham
Principal

administration leads

A stream of teachers, students, and visitors flows continuously from the small administration building, the focal point of activity at Satellite. This building houses the group of dedicated men and women who keep the school operating efficiently.

Directing Satellite's course is one of the most respected and admired men on campus, Mr. J. Al Denham. Our principal received a B.S. degree from Howard University of Southern Mississippi. His administrative experience spans a period of fourteen years.

Our assistant principal, Mr. Paskel, has worked untiringly this year at scheduling activities and adjusting classes. A graduate of Morris Harvey College with a Bachelor's degree in mathematics and of Marshall University with a Master's degree in education. Mr. Paskel taught for six years before coming to Satellite.

Mr. Robert W. Paskel
Assistant Principal

faculty and students

Mr. Arthur Roberts, Jr.
Dean of Students

Miss Joanne Nicholson
Guidance Counselor

Mr. Bruce Graham
Guidance Counselor

The road to the future lies ahead—which path is the right one? What course will lead to fame and fortune?

Helping students to make such decisions, the members of the guidance department provide individual counseling for each student, advise college bound seniors, and help those who need to find outside work. Always ready to offer a friendly smile, a word of advice, a helping hand, these hard-working people act as both friends and counselors to any student who finds himself in need of either.

Our dean, Mr. Arthur Roberts, handles the discipline end of the department and supervises student attendance throughout the year.

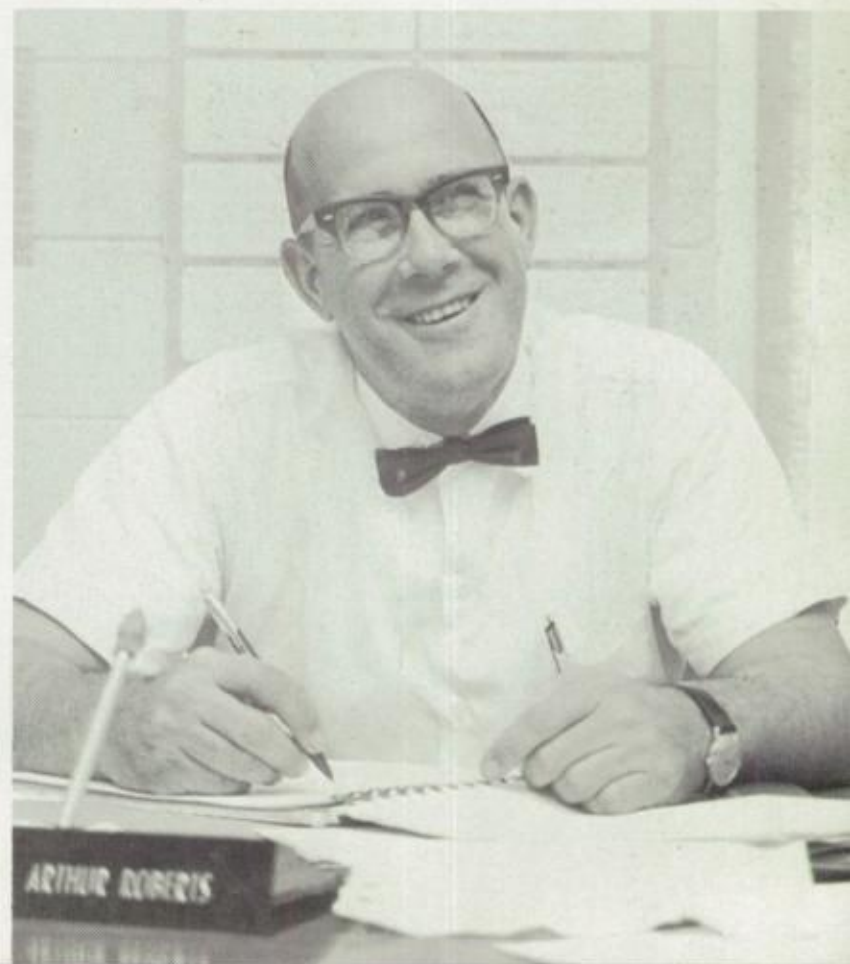

Mr. Graham offers understanding to all students.

Miss Nicholson listens attentively to a student.

Mr. Roberts greets an unsuspecting student with a happy smile.

Mrs. Jean Blankenship
Bookkeeper

Mrs. Lucy Kelly
Administrative Secretary

Mrs. Catherine Mills
Attendance Secretary

Mrs. Ann Rosenthal
Office Secretary

busy bees keep business of satellite organized

Working in efficient unity, the four secretaries of the school labor to keep the business of Satellite organized. Mrs. Mills aids Mr. Roberts by recording the absences of the students and writing excuses. Mrs. Rosenthal seems to be a jack-of-all-trades, assisting everyone in the hive of activity at the central office. Mrs. Blankenship devotes her time to keeping the finances of the school balanced. Mrs. Kelly, Mr. Denham's personal secretary, keeps track of all his appointments, assists him with his work, and assists the other secretaries.

These busy women, with their patience, skill, and friendliness, are an indispensable part of the school.

Mrs. Katie Snead
Cafeteria Manager

Mr. Earl Deering
Plant Engineer

Mrs. Blankenship aids a member of the faculty.

Satellite students enjoy the company of good books.

Assistants help to make library run smoothly.

library and a.v. offer valuable services

Mrs. Miriam Campbell
Librarian

From its shelves come the wisdom of the ages, the whimsey of the day, the latest novels, an ancient quotation. Here students gather information about all known subjects from anarchy to zombies. Great books of the past and of the present line the walls. The writers of the great books of tomorrow read and remember them.

This building of such varied use and such great opportunity occupies the center of Satellite's campus and is organized for student convenience by our hard-working librarian, Mrs. Miriam Campbell.

Mr. Edgin listens to class discussions on the great plays.

literature, writing skills and vocabulary form

Mrs. Raley leads class discussion in literature.

With words man communicates; through words students become aware of the art of language, an art which is an integral part of knowledge. And "... all knowledge and wonder (which is the seed of knowledge) is an impression of pleasure itself."

The English teachers at Satellite High School, under the direction of Vineta Raley, strive to plant this seed of knowledge in classes of speech, literature, and writing. Emphasis is placed on the development of discriminating, responsible, independent readers and on the development of thoughtful, accurate, intelligent use of written and spoken language. Working toward an appreciation of the beauty and power of individual expression, the student transcends basic skills and enters the world of wondering.

Mr. John G. Clarke
Assistant Chairman

Mrs. Margaret H. Paul

Mr. Edward Clark Edgin

Mrs. Vineta M. Raley
Department Chairman

Audio-visual equipment aids in the development of reading skills.

Mrs. Dorothy M. Olsson

Mrs. Olsson and students discuss mechanics of writing.

Mrs. Betty Philips Harmon

Mrs. Sara Helen Brewer

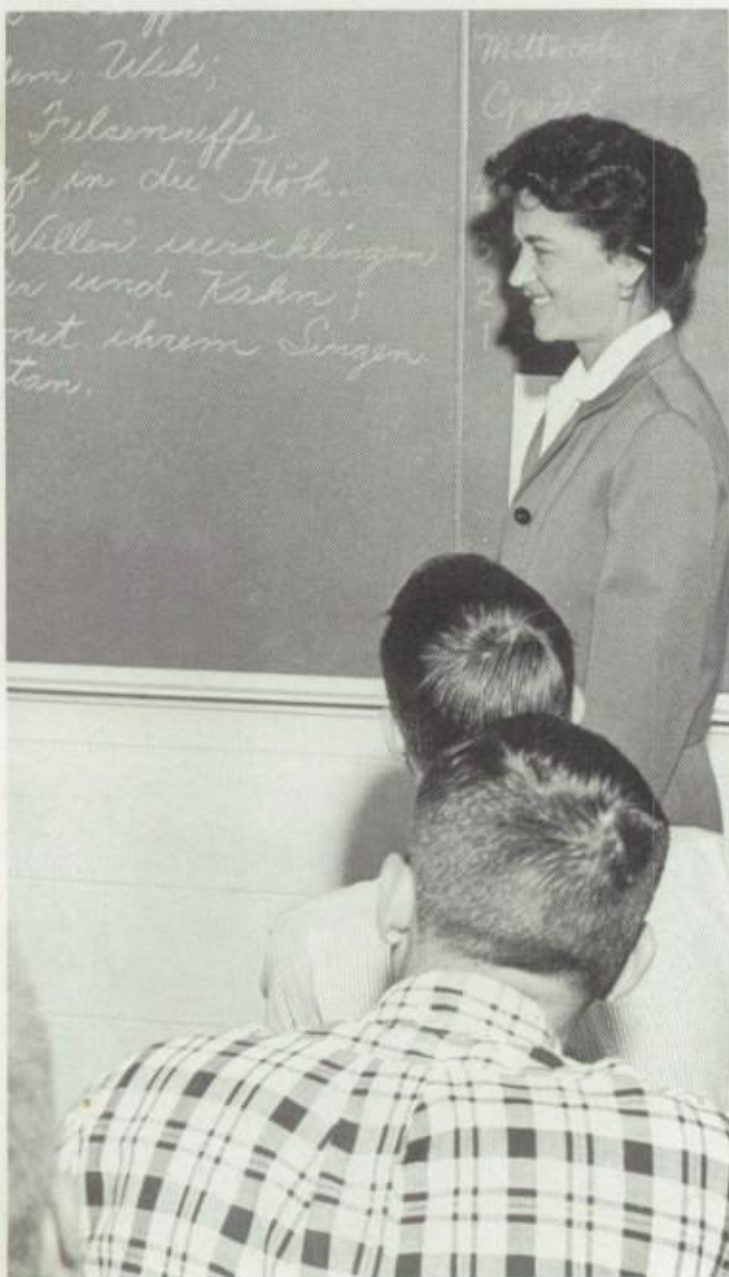

Mr. Roberto S. Solis
Department Chairman

Students use classroom time for supervised study.

language improves communication which

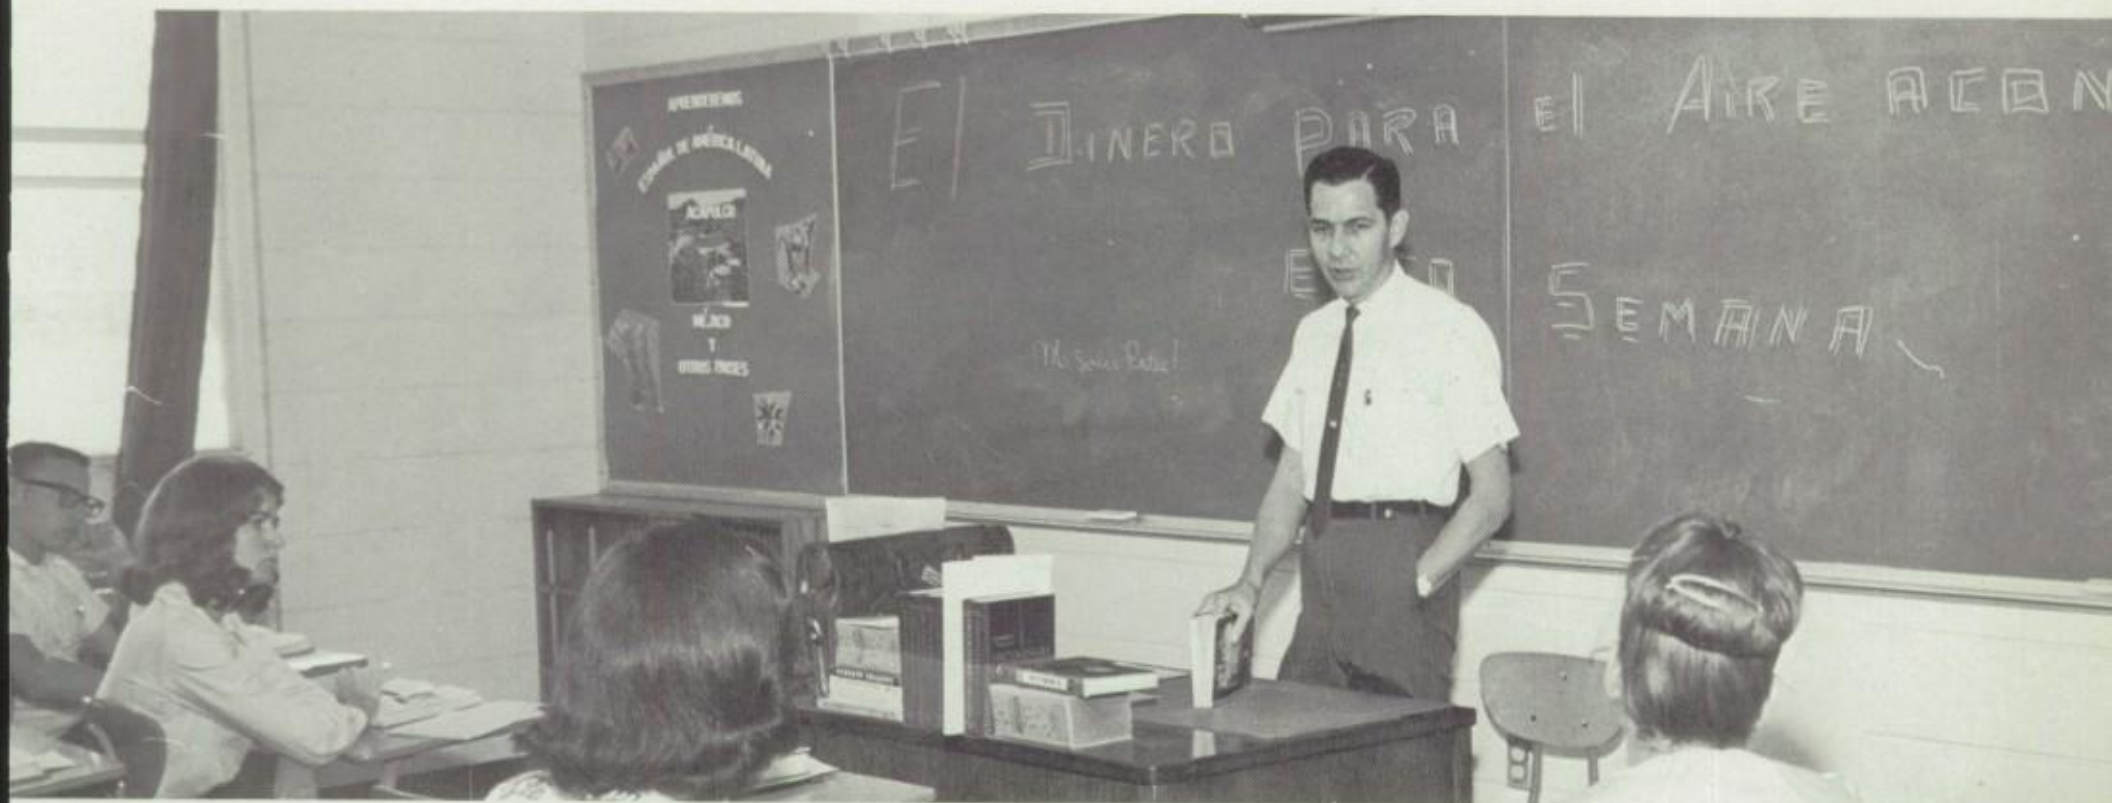

Students learn of German cultures through the study of the language.

Because of increasing world tensions, a special interest in foreign languages has developed. Without knowledge of foreign languages and the cultures they represent, peace through communication cannot be established.

The learning of a language serves as preparation for the study of the cultural traditions which have made essential contributions to Western civilization. Language proficiency enables students to become intelligent travelers in a world of close international contacts and equips them with special qualifications in the diplomatic field.

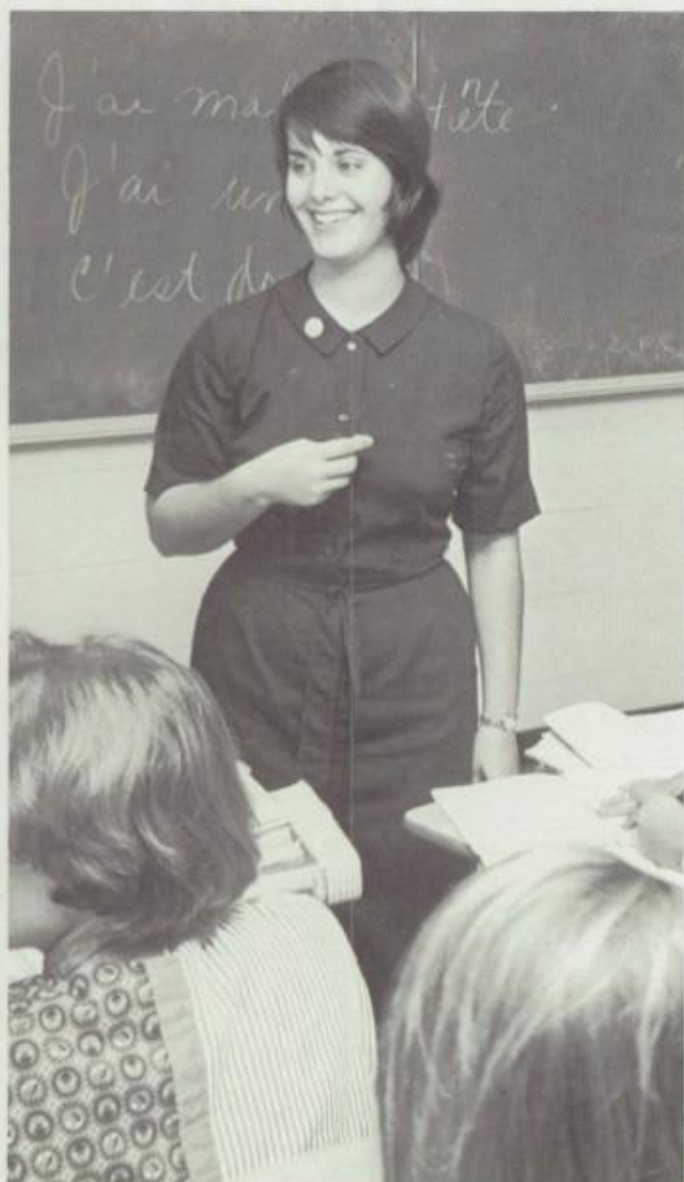

The study of foreign languages at Satellite holds an important place in the curriculum. The department offers courses in Spanish, Russian, German, French and Latin. A language laboratory with the latest equipment is provided for prescribed drills and optional individual practice. The students are trained in the methods of literary research.

heritage is taught in the social sciences

Throughout the course of his existence on earth, man has been constantly changing. From early ignorance he has progressed to this great age of intellectual achievement and scientific exploration. And this is not the end, for as long as man continues to survive, he will grow and he will change.

The sum of these changes—their cause and results—is history.

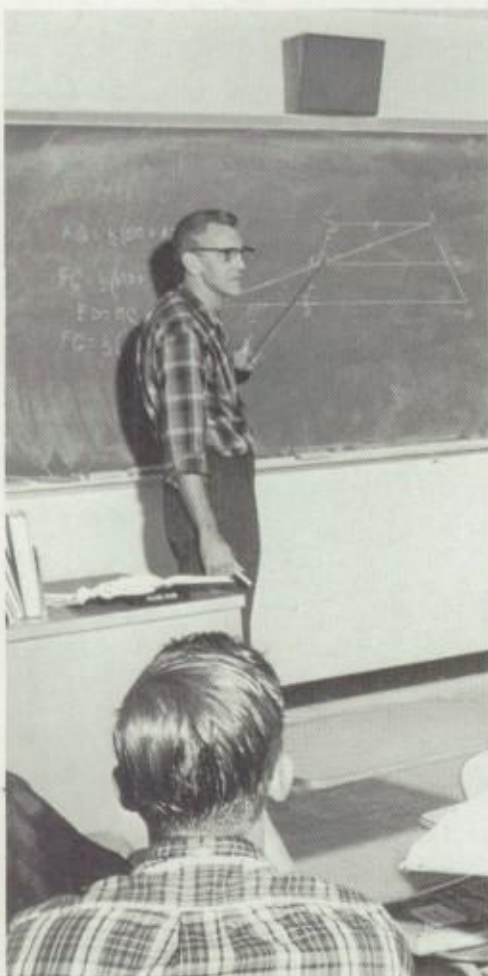

The many facets of this subject and others closely related are studied at Satellite through such courses as Humanities, Contemporary Social Problems, and Contemporary World Problems along with the conventional world and American histories.

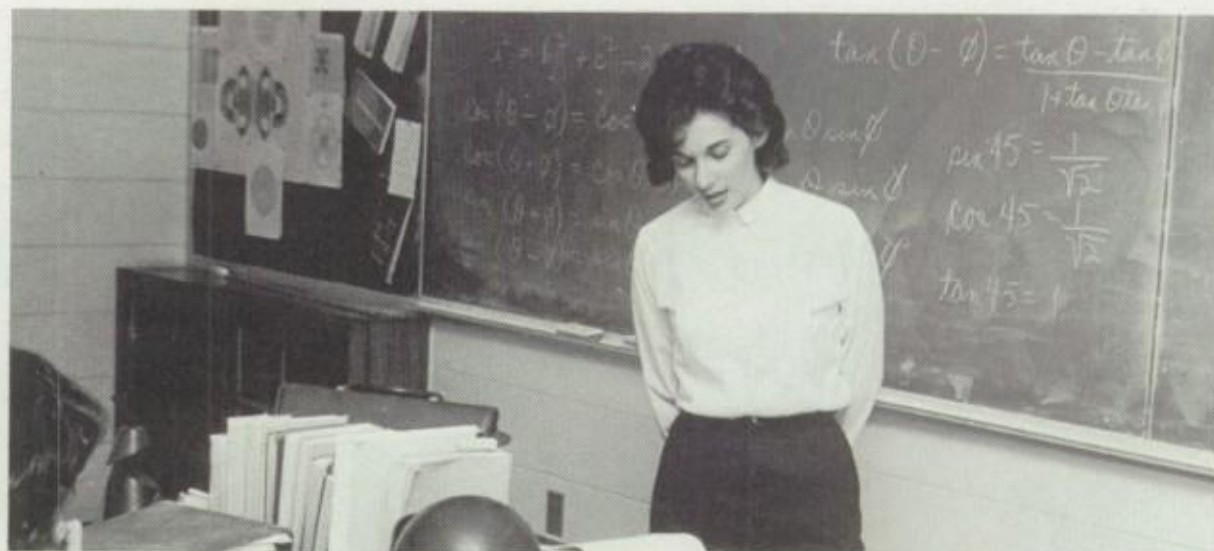

History students learn by listening to classroom reports.

The humanities class discusses the existence of a supreme being.

Mr. Dixon demonstrates the proof of a theorem.

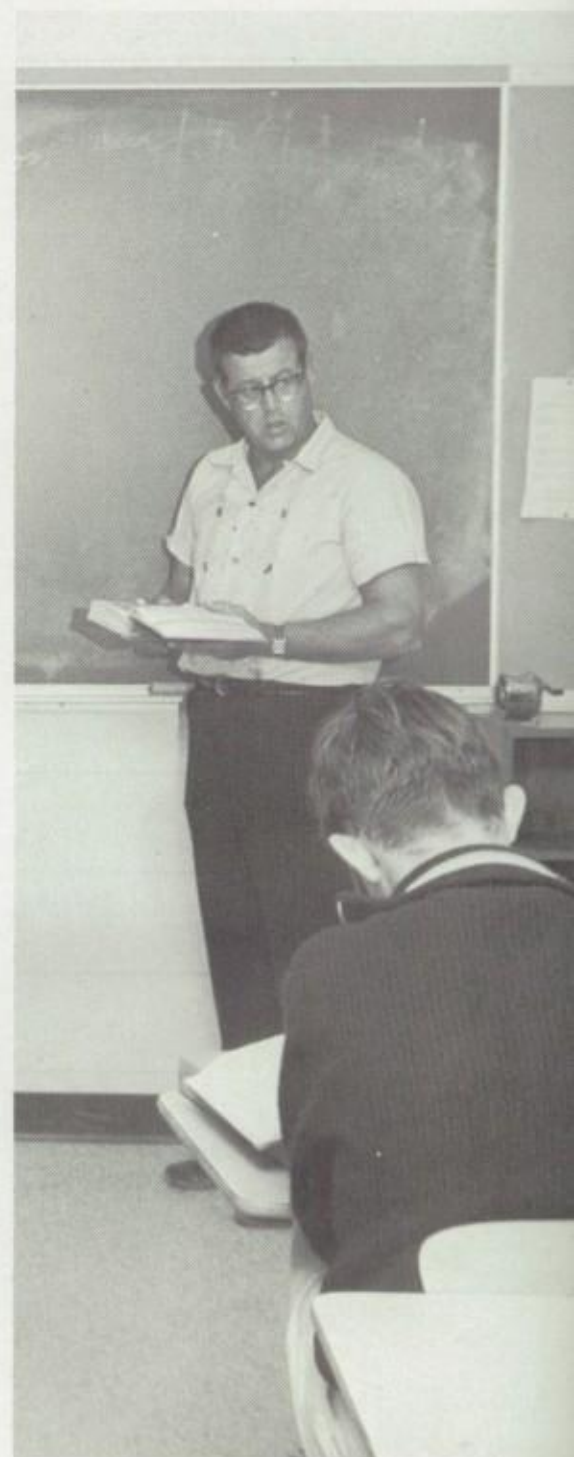

Trig students must concentrate to understand the sum and difference of angles.

mathematics trains students

Miss Faye I. Oliver

in logic and accurate deductive thinking

Mathematics has often been called the "Queen of the Sciences" because it plays an important part in the work of every science. Mathematics and its various branches are important even in our daily lives.

In the complex world in which we live, a basic understanding of the fundamentals of mathematics is needed by all. Here at Satellite everything from general math to calculus is offered in modern versions. The mathematics department of Satellite stresses reasoning as well as mechanics.

Mr. Bender shows how to do a whatch-a-macallit.

Mrs. Belle O. Baldwin

Mr. J. Kenneth Newcomer

Mr. Lada Simek

Mr. Milton A. Couturier

conveys the wonders of our environment

Science is the key which has opened the gates to what we so aptly call the "Space Age." It can chart the course for exploration of new frontiers. Science has a broader claim to inclusion in a curriculum, for an appreciation of the "Scientific Method" and its wide application to fields other than science can be grasped through the study of the natural sciences. No one can be regarded as educated today without a firm understanding of the physical world in which he lives.

The department offers opportunities for research in anatomy, physiology, biology, physics, chemistry, microbiology, oceanography, and radiation sciences.

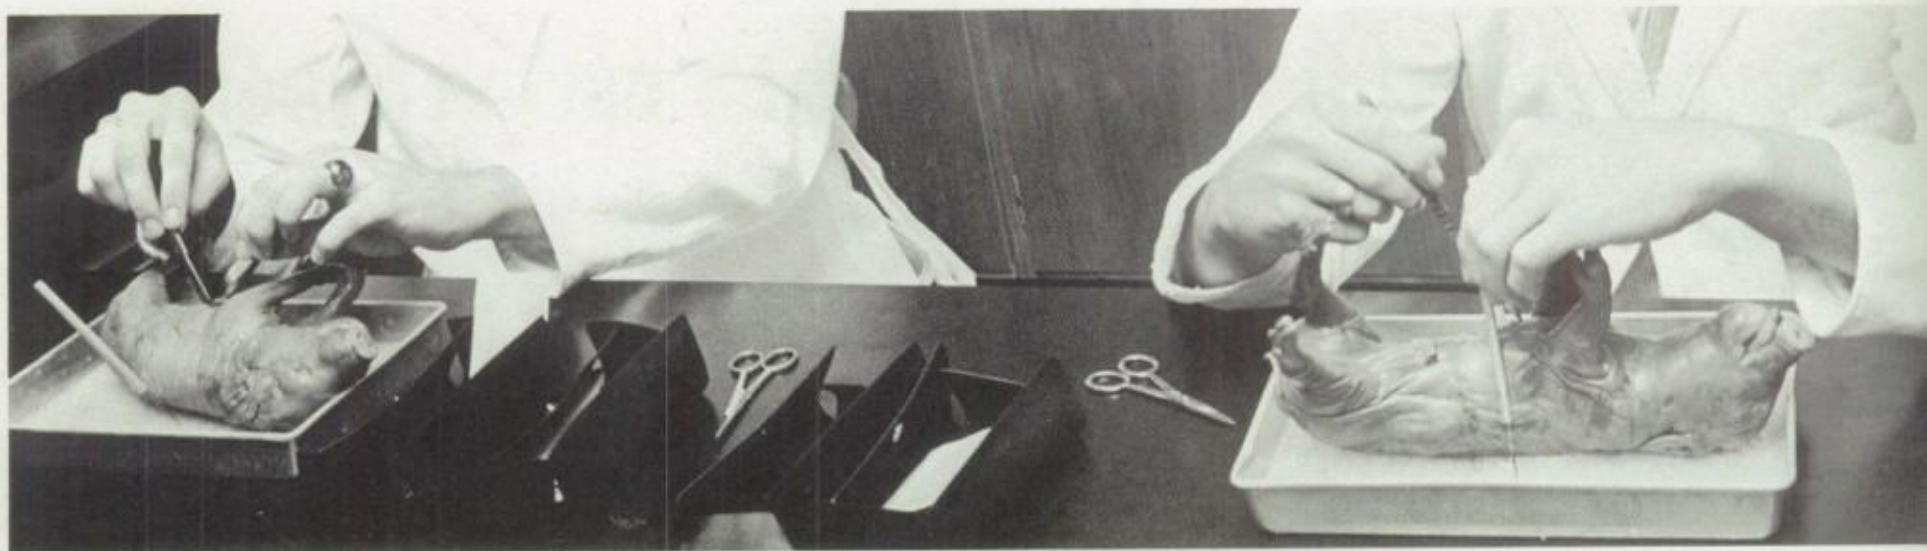

Carl McPhee studies momentum.

Students find Mr. Schweitzer's lecture on mitosis very informative.

Physics students work on a problem using inclined plane.

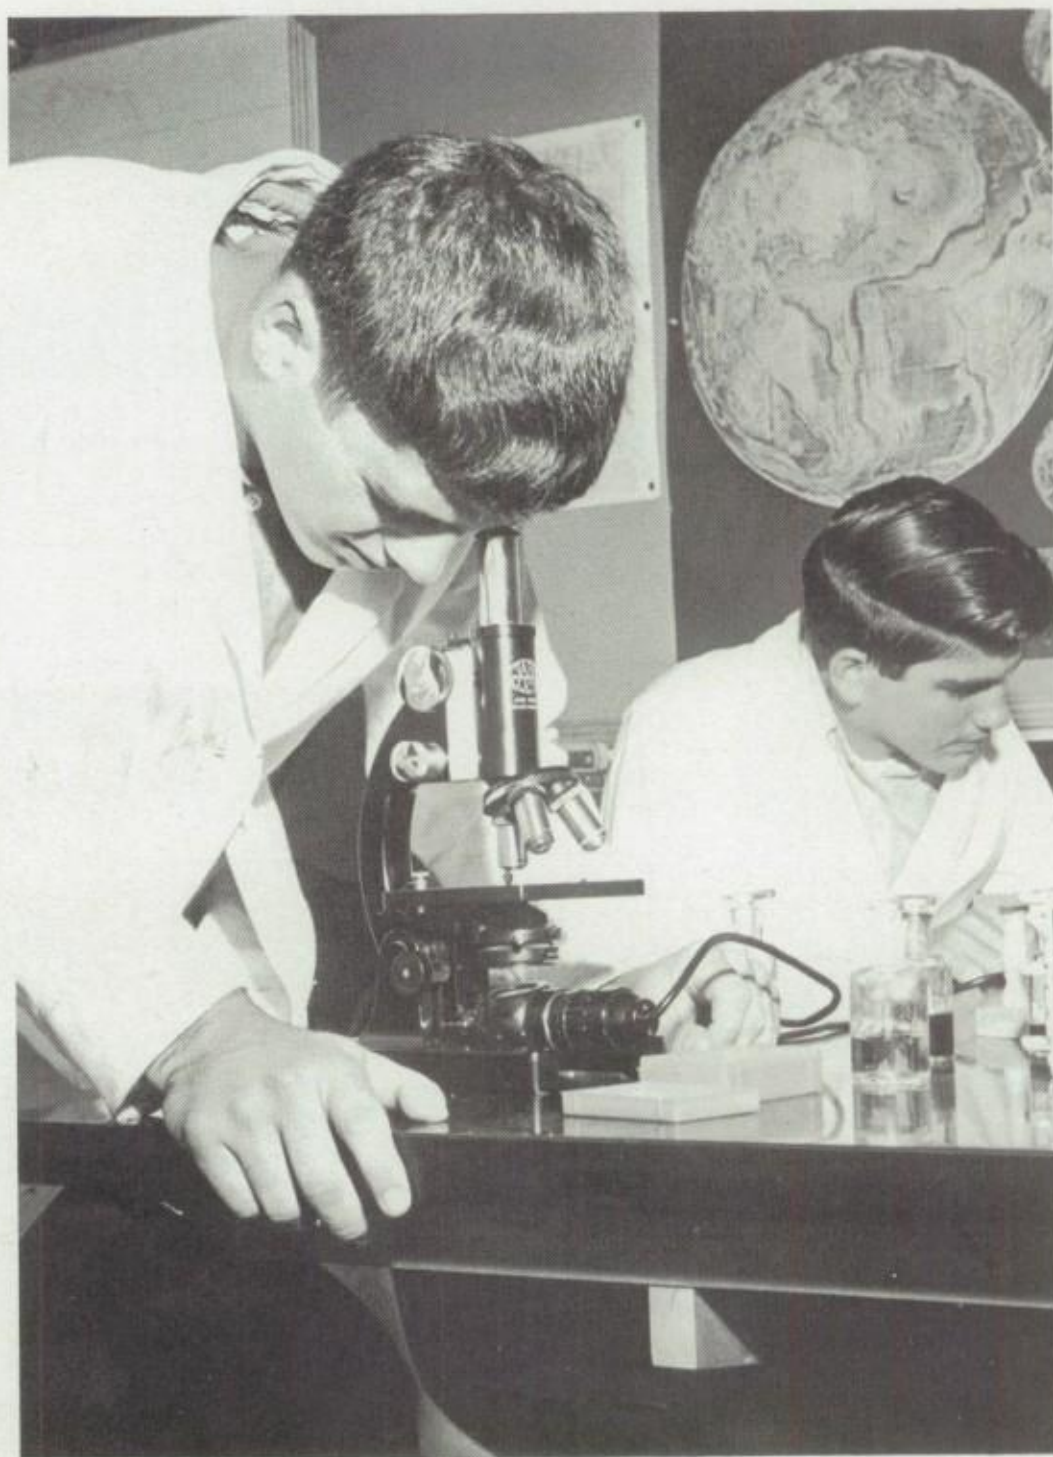

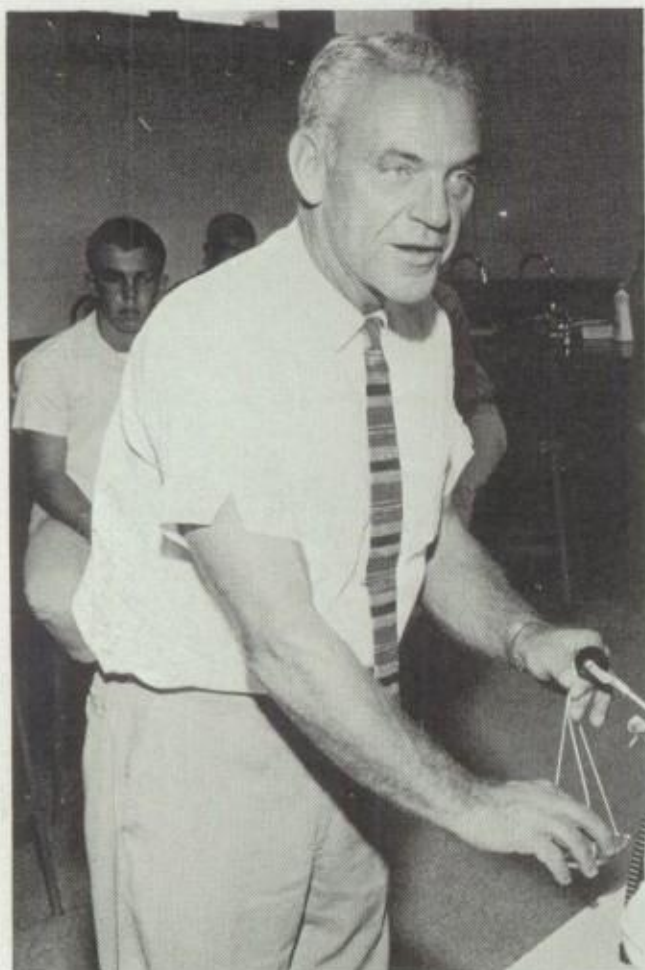

Students learn the wonders of lifes systems while dissecting pigs.

Richard Kramer and Dennis Graham stain bacteria.

Mr. Couturier demonstrates the use of the inclined plane.

students train for chosen vocations

Distributive Education, usually referred to as DE, is a program for training high school juniors and seniors who have an interest in marketing, salesmanship, and merchandising of goods or services.

The program is designed to help students develop their interest, aptitudes, and abilities in preparation for full-time employment. DE reflects the working relationship which exists between the schools and the business community to provide the student with an understanding of the business world.

In addition to the classroom study and on-the-job training, the DE club sponsors special activities such as hay rides and beach parties. Luncheons and banquets help develop the students social education.

Anita McDaniel learns good salesmanship while working at the Clothes Tree.

Mr. John E. Frazier
Department Chairman

Tom Swaffar receives individual instruction from Mr. Frazier.

Department Chairman

office skills

The demands of tomorrow upon the people of the business world will be tremendous. The overall goal of Satellite's business education program is to assist those who wish to enter the business field. The students, through the varied instruction offered, are given preliminary preparation for a business career as well as a valuable understanding of the business affairs which invade many facets of everyone's life. Specific instruction and practice in typing, in shorthand, and in the use of the newest office equipment are provided.

Constant practice helps students develop speed as well as accuracy.

Vocational Electronics

Mr. Douglas works with Armando on engineering lettering.

Tom Blackwell works on an aircraft carburetor lay out.

ultimate goal of vocational classes

The Vocational Electronics department endeavors to provide preparatory training for willing and able students who aspire for positions in our increasingly technological society as electronic technicians and radio and television service men. During the 3-hour class session each day, the students receive instruction in the fundamentals of electronics and then in the well-equipped laboratory, have an opportunity to put this knowledge to practical use. Preparation and interpretation of schematic diagrams of electronic circuits and the designing and building of various circuits are all part of the students' experience. Finally, the neophyte technicians must be able to use various pieces of intricate test equipment to check the reliability of electronic gear. In Electronics I, the emphasis is on the fundamentals—laws, components, schematics, and test procedure. In Electronics II, the students specialize in problems related to radio and television servicing.

Roger Jones trouble shoots a radio power supply.

A complete vocational program in drafting is offered at Satellite High School. Upon completion of two years' work, the equivalent of 1080 hours of actual drafting practice, the students who perform satisfactorily in this course are qualified for basic drafting positions as detailers or lay-out men. Instruction and experience are provided sequentially from lettering to drafting work in specialized fields chosen by the students: architectural, mechanical, electrical, structural, design, tooling, or surveying. Satellite can boast of one of the best-equipped drafting laboratories in the county.

Students execute general electronic lab experiments.

beauty is expressed in many forms of art;

Mr. Jesse D. McKinley
Department Chairman

Hard work brings rewarding results with finished mosaics.

Art is the tangible, visible expression of man's emotions and aspirations. The word "art" brings to mind a variety of forms designed to please the eye and the mind. To one person the word "art" may suggest a beautiful painting; to another, it may mean a graceful statue. Almost always, however, art is synonymous with the word "beauty" in the mind of man.

The fine arts department of Satellite High School tries to instill in each student an appreciation of the beauty in the artistic world and to inspire creativity while expressing this appreciation.

Ceramic students discover Patch-A-Tatch.

Illustrating stories is the work for the day in commercial art.

construction skills begin with industrial arts

The Industrial Art program provides the students with an introduction to industry or to a vocation. Fashioning useful or decorative objects from wood, the students gain satisfaction by accomplishing something with their hands. Practically, the students learn how to safely operate various kinds of power equipment and to appreciate the versatility of this equipment. They are also introduced to sheet metal work and to welding techniques.

Instruction in mechanical drawing is geared to the pre-engineering students. By executing various types of drawings, the students acquire a working knowledge of the interrelationship of objects.

Ray Curtis demonstrates arc welding.

Mr. J. Gene McKelvey
Department Chairman

Janice Withers and Mr. McKelvey discuss a drawing problem.

Miller
Department Chairman**

Miss Mary Jo Peck

students of today

In our highly specialized technical and scientific world, there sometimes seems to be little room for the old-fashioned skill of "home-making." Home economics, however, has advanced with the times, developing new instruments and methods which make this "old-fashioned" business almost as modern as our latest sciences, and often as complicated.

Here at Satellite, the Home Economics department has kept up with the Space Age. Working with the latest equipment, students not only learn the usual skills of cooking and sewing but also take such courses as home furnishings, child development, and family relations.

Richard Quinn and Miss Miller check fudge brownies. Are they done?

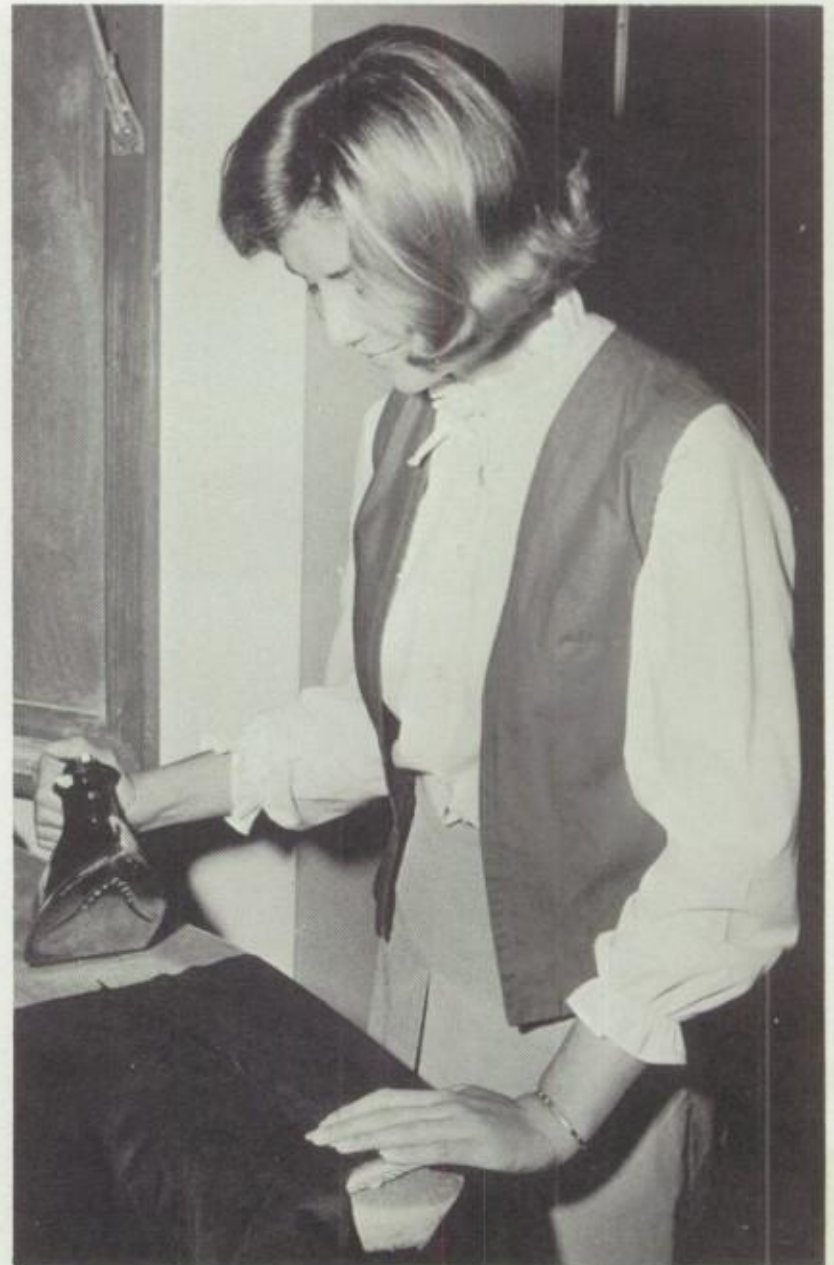

Diana Steiner demonstrates her skill on the sewing machine. Diana was a winner in the state wool sewing contest.

homemakers of future

Home economics teaches neatness and organization.

talented students find expression through

Student participation increases interest in music.

This great group chalks up many miles during football season.

Mr. Patrizi directs band during a practice session.

Mr. Benington directs choir, in preparation for their concert.

musical activities

Music, the universal language, is the common ground on which all levels of civilization meet. Here men reach the souls of other men for here all men are equal. The bitter sweetness of a haunting refrain, the swinging rhythm of a band, the heartlifting chorus of a familiar hymn—these touch the high as well as the low, the proud as well as the humble, the strong as well as the weak.

At Satellite, music instruction is offered by participation in the marching and concert band, orchestra, stage band, choral singing and special performing groups. With this great variety of opportunity, any student interested in any type of music may take an active part in this department.

Mr. Michael A. Patrizi
Department Chairman

sportsmanship is essential in competition, boys

Physical Education is one of the newest subjects in the modern education program. At the same time, it is the oldest of all forms of education. Physical training has always been fashioned to the culture program, designed for Satellite students, offers various planned activities to develop sportsmanship, athletic skills, co-ordination, and leadership. Special equipment such as the swimming pool and trampolines has been provided for the teaching of such skills.

P.E. develops the body and the mind while it offers an enjoyable diversion.

Tim Denham and Dennis Graham slam the door on an Eau Galle runner

Bobby Drake—Senior—end

Tom Eason—Senior—end

Tim Denham—Senior—guard Dennis Graham—Senior—guard
(Co-Captain)

A husky Seabreeze team, rated as one of the best in Central Florida, was upset by a determined Scorpion eleven. Led by Doug Dilts and Co-Captain Dennis Graham, the defensive squad intercepted 4 passes and recovered a fumble to completely halt the Sandcrabs. Satellite gained twice as much yardage as Seabreeze but was unable to change the 0-0 score.

Co-Captain Ken Hutcherson powered his way through Florida Air Academy defense for 174 yards, a 9.7 yard average, and all the points, as the Scors stomped FAA 20-0. The outstanding running of Mike Dunn and John Barbour balanced the offensive attack while Doug Dilts led the team in tackles.

Bill Roberts—Senior—tackle

Eugene Wygal—Senior—guard

Tom Whisner—Senior—tackle, Bob Sheppard—Junior—tackle, Doug Dilts—Junior—guard

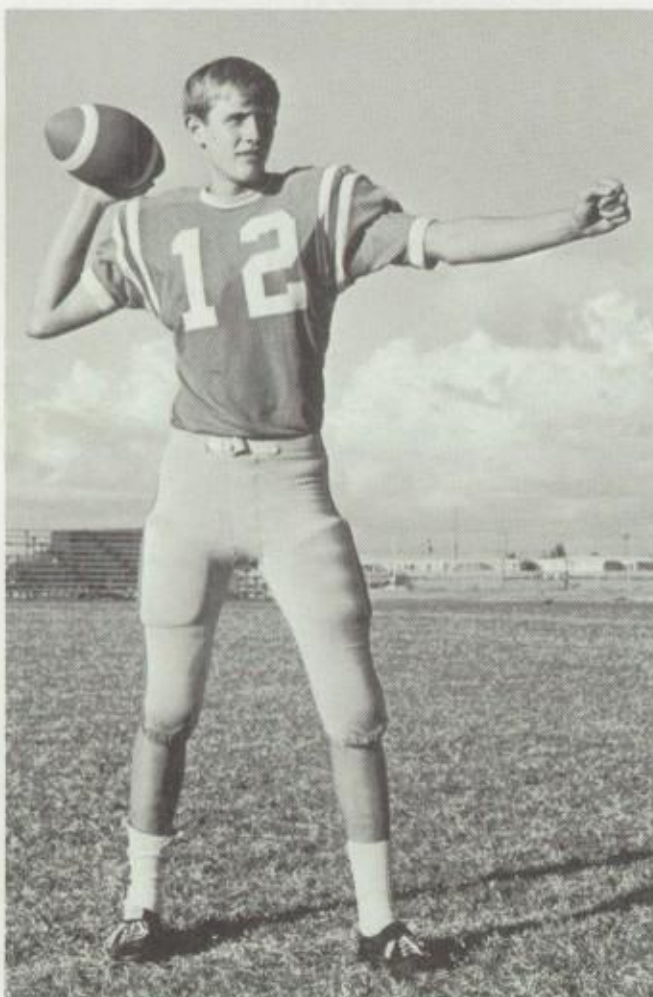

Ken Hutcherson runs through foe for a T.D.

A thrilling 45 yard punt return by Mike Dunn opened the scoring as Satellite crushed Eau Galle 19-7. A one yard dive by John Creech accounted for the second score, and John Barbour's 44 yard scamper set up Ken Hutcherson's seventh touchdown of the season. Bobby Drake and Tim Denham fronted an aggressive defensive unit.

Satellite won its first Homecoming game by smashing Evans 27-0. A tough offensive line, fronted by Bob Sheppard, Tony Dowling, and Dick Hynes, opened a big hole for a 38 yard run by John Creech to set up a touchdown by Ken Hutcherson. Ray Yerg, in his first real action since a knee injury, raced 12 yards to pave the way for another Hutcherson T.D. A 25 yard pass to Mike Dunn set up Hutcherson's third touchdown. A 35 yard pass, Errol Potter to Mike Dunn, rounded out the scoring. The Trojans, held to only 65 yards total offense, thanks to the aggressive play of Tom Eason and Tim Denham, were the third team to be held scoreless by the Scorps.

Errol Potter—Senior—quarterback

Displaying high spirit, the Scorpions rolled over Cocoa Beach 39-7. Highlighting the game were a 30 yard T.D. run by Mike Dunn and 3 touchdowns by Ken Hutcherson. Eugene Wygal rambled 37 yards with an intercepted pass to set up Jim Foster's T.D. A stubborn defense, led by Bob Sheppard, was scored upon for the first time.

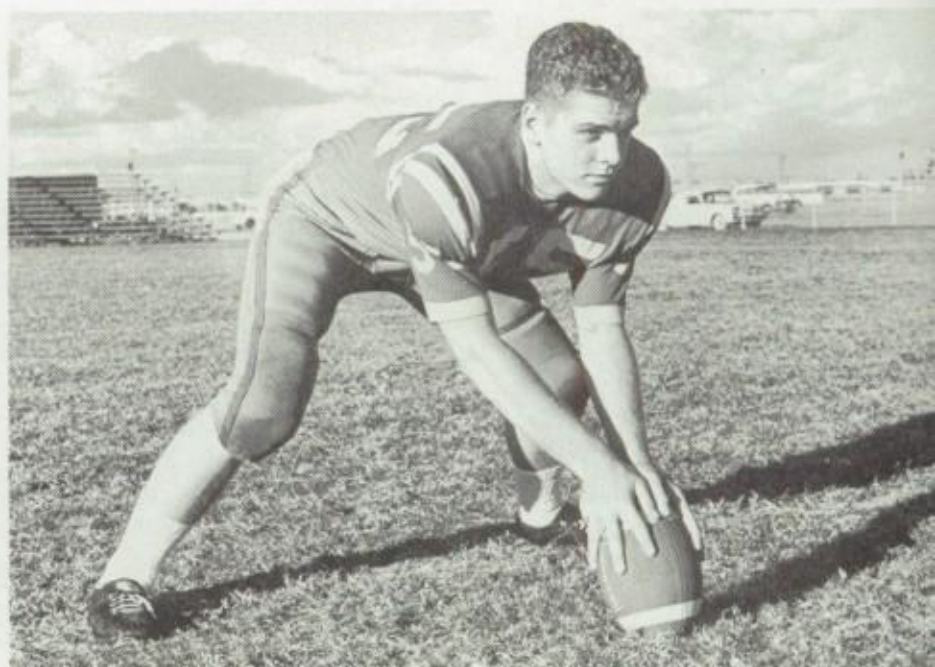

John Barbour—Senior—halfback

Mike Dunn—Junior—halfback

Dick Hynes—Junior—center

speedy scorpion backs rack up points

Ken Hutcherson—Senior—fullback (Co-Captain)

Ray Yerg—Junior—fullback

The Scorpion defense, led by Tom Whisner, grudgingly gave up only three first downs to Melbourne but the game was still a hard won battle. Hutcherson opened the scoring with an 8 yard run and came back quickly with another. However, Melbourne, aided by three lucky breaks, took the lead 18-12. The Scorpions came back strong with passes. The game was won when Errol Potter threw to Tom Eason for the tying touchdown and to Mike Dunn for the PAT.

Overpowered by a heavier team on a very wet field, the Scorpions received their first setback against St. Augustine. A 58 yard drive was climaxed by Ray Yerg's touchdown but the point after was missed. Late in the fourth quarter St. Augustine drove through the tired but stubborn Scorpions to score and win 7-6.

The Cocoa team, expected to overwhelm the Scorpions, was soundly defeated 14-7. Ray Yerg's punt, fumbled by Cocoa on their 16, set up the first score. A Potter to Yerg aerial brought the ball to the 4 yard line to pave the way for Hutcherson's touchdown. With 3 minutes left in the game, Errol Potter fired a 40 yard peg to speedster Mike Dunn to clench the game. Cocoa salvaged a shutout when a deflected pass was caught in the end-zone on the last play of the game.

Satellite won its first county championship by stomping Titusville 26-6. Errol Potter was the offensive sparkplug, throwing two perfect spirals for touchdowns. Receiving both of these passes, one for 43 yards, the other for 28 yards, was flankerback Mike Dunn. The other two touchdowns were scored by Ray Yerg and John Barbour. The defense played its usual rugged game, holding the Terriers to only 4 first downs. The outstanding defensive players were Larry McFall, Dick Hynes, and Bob Sheppard.

scorpions play in

Satellite lost a heartbreaker to Boone in the first annual Space Bowl, 20-18. The Braves jumped to a 14-0 lead in the first quarter but Hutcherson ran 65 yards with a screen pass to put the Scorpions on the scoreboard. Boone scored again and went into halftime leading 20-6. The second half was all Satellite as Hutcherson racked up another T.D. and Yerg scored on a 19 yard pass from Potter. However, the Scorpions missed all three extra points and couldn't get the winning points.

Thanks to the fine work of Coaches Thweatt, Warren, and Akin a host of Scorpions received all-county mention. Receiving this honor were Ken Hutcherson, Tim Denham, Mike Dunn, Tom Eason, Dennis Graham, Errol Potter, Larry McFall, Bobby Drake, Ray Yerg, Bob Shepherd, and Doug Dilts. Bobby Drake and Tom Eason received Honorable-mention Mid-State to add to Scorpion glory. Ken Hutcherson, high scoring full-back, received the Tom McAnn award as the best player in the county and a first team Mid-State position.

High scoring J. V. often kicked off

Miller kicks an extra point

Satellite 6—Eau Galle 0

Kellenberger and Scruggs were the top runners while Todd led the defense. In the fourth quarter Scruggs swept right and ran 20 yards for the only score.

Satellite 6—Cocoa 6

A rock-hard defense, fronted by Schaap, Miller, Stevens, and Hess, held the Tigers to 12 yards rushing but a long kickoff return, following a Rogero to Hutton T.D. pass, tied the game.

Satellite 12—Melbourne 6

Throttled by the defensive play of Stevens and Schaap and stung by the running of Gunter and Kellenberger, Melbourne fell, giving the J. V. its second win.

Satellite 34—Titusville 0

The Terriers were swamped by the hardnose running of the backs especially that of fullback Lowery and by the passing of Rogero. Schaap led the defense along with Archer and Todd. Holes opened by Lott, Huebschman, Miller, and Hutton led to long runs by Kellenberger and Gunter.

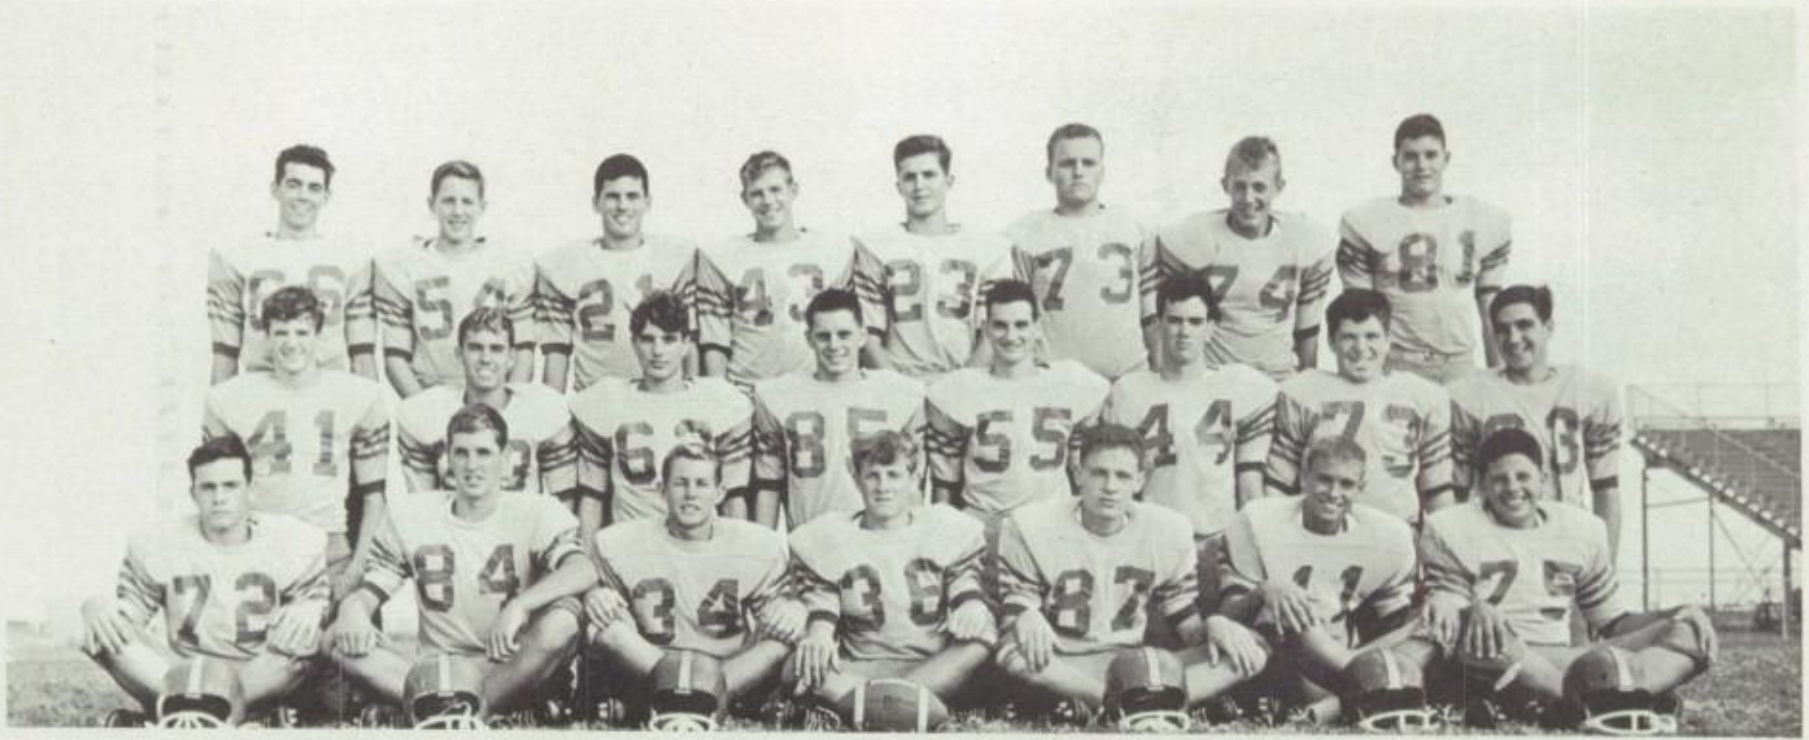

Satellite 19—Eau Gallie 6

Eau Gallie fell again thanks to the two T.D.'s by Scruggs. An intercepted pass by Kellenberger, forced by the rush of Stevens and Hess, accounted for the other touchdown.

Showing some great talent, the Junior Varsity powered their way to a 4-0-1 record to become the first undefeated team at Satellite. Hard work was the rule as coaches Kyvik and Edgin whipped the team into shape. All the players showed great spirit and desire, in practice as well as games. Alex Miller and several other Baby Scorps saw varsity action after the end of the J.V. season.

scorps ripple the cords for a record score

Dave Antoon fires for the net.

The Scorpions roared back from a mid-season defeat by Melbourne Central Catholic to a record score, 76-49. All the Seniors, Troxell, Denham, Sandusky, and Sherman, acted as captains as the Scorps stretched a winning streak to five by winning the last home game. Dave Antoon lead the scorers with 20 points and Blaine Troxell dropped in 17. Jim Clevenger cleared the boards, feeding to the fancy dribblers, Jim Sherman and Tim Denham. The whole game was a team effort for all players saw action.

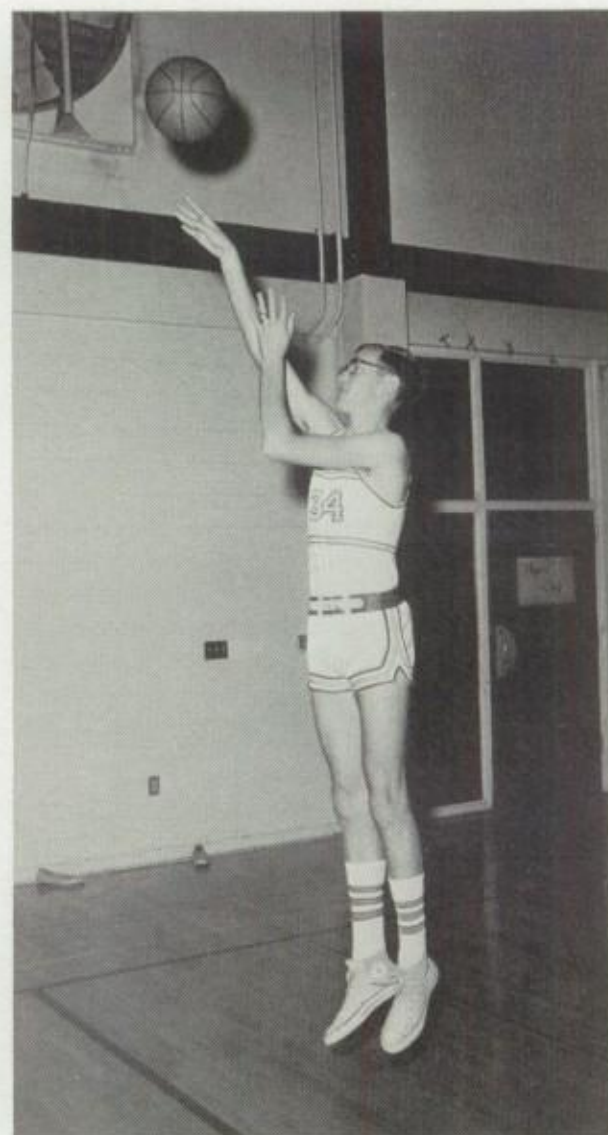

Randy Patton—Senior

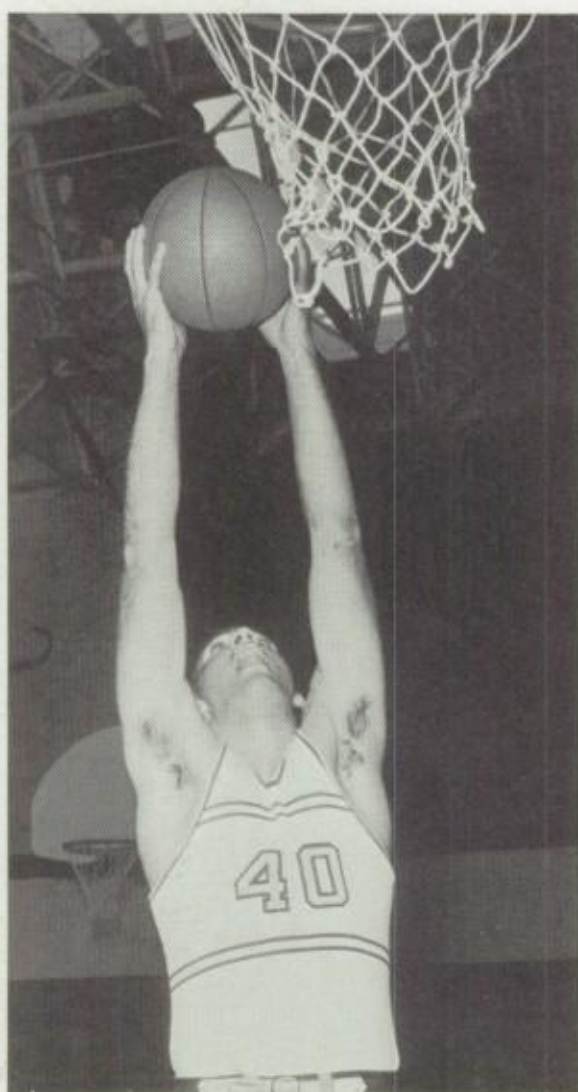

Charlie Jones—Junior and Ray Key—Junior

Bill Sandusky—Senior.

Blaine Troxell—Senior.

Jim Clevenger—Junior.

Coach Sanders whipped the team into great shape but it wasn't until the Christmas Tournament that the Scorp zeroed in on the basket. The team was hurt by the injury of Randy Patton but the flexibility of the team quickly filled in the weakness.

The Scorpions finished an excellent season with a six game winning streak. Senior guards Jim Sherman and Tim Denham will be missed as will center Blaine Troxell. However, returning will be the high scorer, Dave Antoon, and the top rebounder, Jim Clevenger, and three other lettermen. Add these to the J. V. prospects and next year's Scorp should be grrreat!

Satellite	73—47	Oviedo

Ronnie Byrd lays one up.

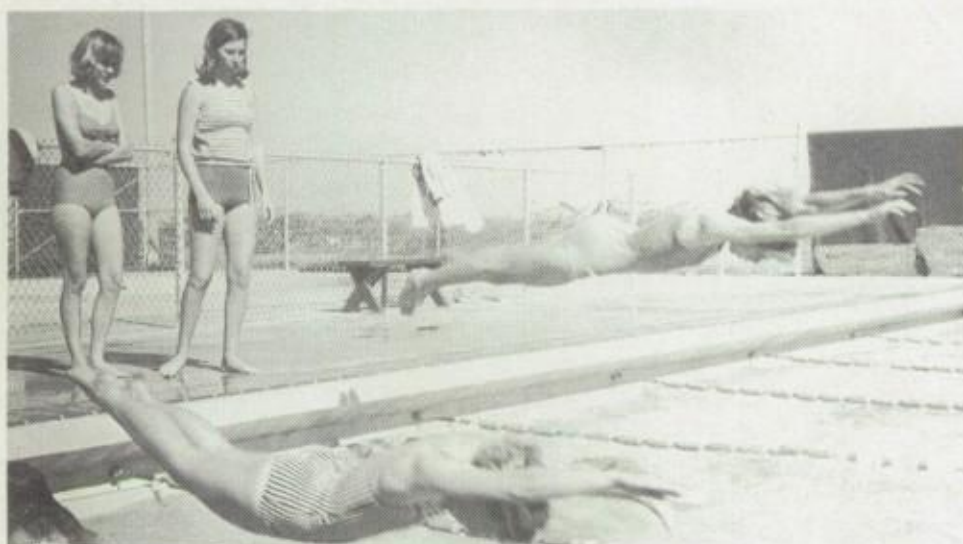

The Satellite J.V. Basketball Team showed great talent as they fought their way through a tough schedule to a 16-4 record. Coach Edgin worked the team on such fundamentals as defense, press offense and, of course shooting. Bobby Duke lead the team in scoring with over a 17 point average. Mark Hutton followed with over 11 points per game. Mike Eyman and Ronnie Byrd showed some exciting ball handling while Jim Antoon lead in rebounding. The varsity will definitely be helped next year by many of these outstanding J. V. players.

FRONT ROW: G. Spohn, C. Carter, R. Burch, T. Englert, R. Bing, J. Howard, D. Thompson, B. Cummings, R. Quinn, E. Neff, B. Neill, D. Archer, C. Van Etten, A. Styers. SECOND ROW: L. Shultze, J. Etridge, M. McKenzie, B. Crawford, D. Gloger, B. Baker, T. Allen, B. Brown, J. Porter, R. Huey, D. Komurke, T. Coleman, P. McCarthy.

THIRD ROW: S. Ross, D. Baird, C. Fairbanks, I. Spohn, S. Forrester, G. Jones, B. Baker, M. Young, L. Scheller, K. Monaghan, N. Koerner, J. Morris, B. Mowat, D. Smith. FOURTH ROW: M. O'Hara, B. Schuchhardt, P. Murphy, D. Steiner, K. Englert, M. Reeves, C. Almy, M. Gustaphson, T. Thomas, J. Gunter, B. McCallister, C. McKenzie.

The Satellite swimming team splashed off to a stupendous start. The girl's team, lead by Nicki Hill, Isabella Spohn, and Nancy Koerner put on strong performances in all events. Jim Howard, Gus Spohn, Lou Shultze, Mark McKenzie, Brian Schuchhardt, and Tim Englert gave strong showings thanks to the coaching of Mr. McKelvey.

Kathy Monaghan is off to the races with a teammate.

swim team makes big splash

Rick Quinn and Reggie Burch begin second lap.

Cathy McKenzie displays good form.

FRONT ROW: B. Armstrong, J. Brakin, C. Clarke, T. Good, M. Siebenchen, G. Cox, D. Boucher. MIDDLE ROW: E. Wygal, S. Embelton, J. Cornett, D. Winn, J. O'Donnel, F. Cryder, T. Eason. BACK ROW: D. White, M. Guider, B. Drake, A. Miller, E. Potter, P. Belcher, Coach Frazier.

Tom Eason waits for a popup.

Errol Potter swings hard.

baseball team hits hard

Fred Cryder fires a pitch.

Armstrong to Good begins double play.

Mile Relay: Jim Sherman, John Creech, Jim Foster, and Don Fitzgerald.

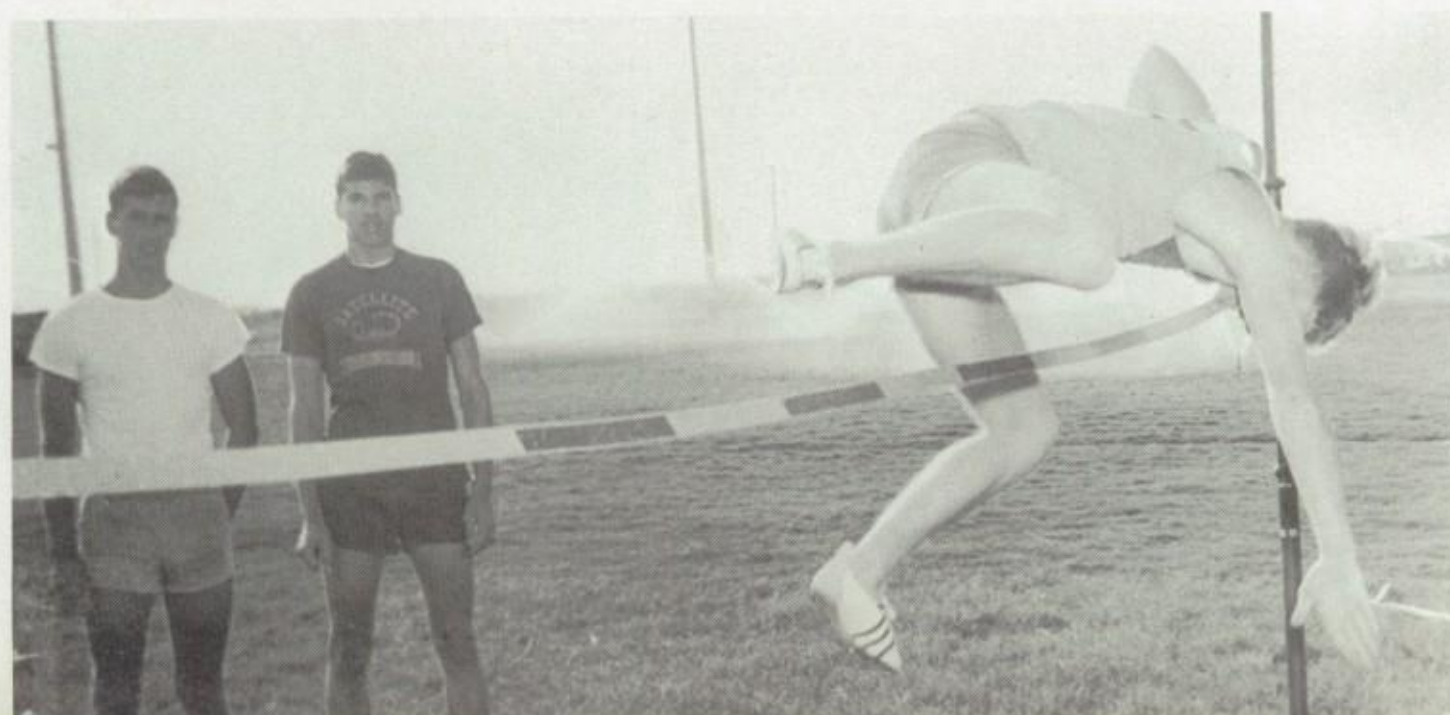

The Satellite Track Team attracted much attention in the 1965 season. Sprinters Hutcherson, Nunes, and Dunn showed tremendous speed in both the sprints and relays. The 440 Men, Fitzgerald, Creech, Foster and Scheller, showed great talent along with the Low Hurdlers, Yerg, and Scruggs. Faggianeli and Fisher hurled the Discus and Shepard showed well in the Shot Put. Coach Warren worked the whole team very hard to get the greatest output from each of the members.

Dave Mayo speeds over high hurdle.

Richard Scruggs clears the low hurdle.

Curtis clears the bar with ease as Archer and Drake look on.

track gets into the race

Shot putters: Bob Lowery, Larry McFall, Ray Yerg.

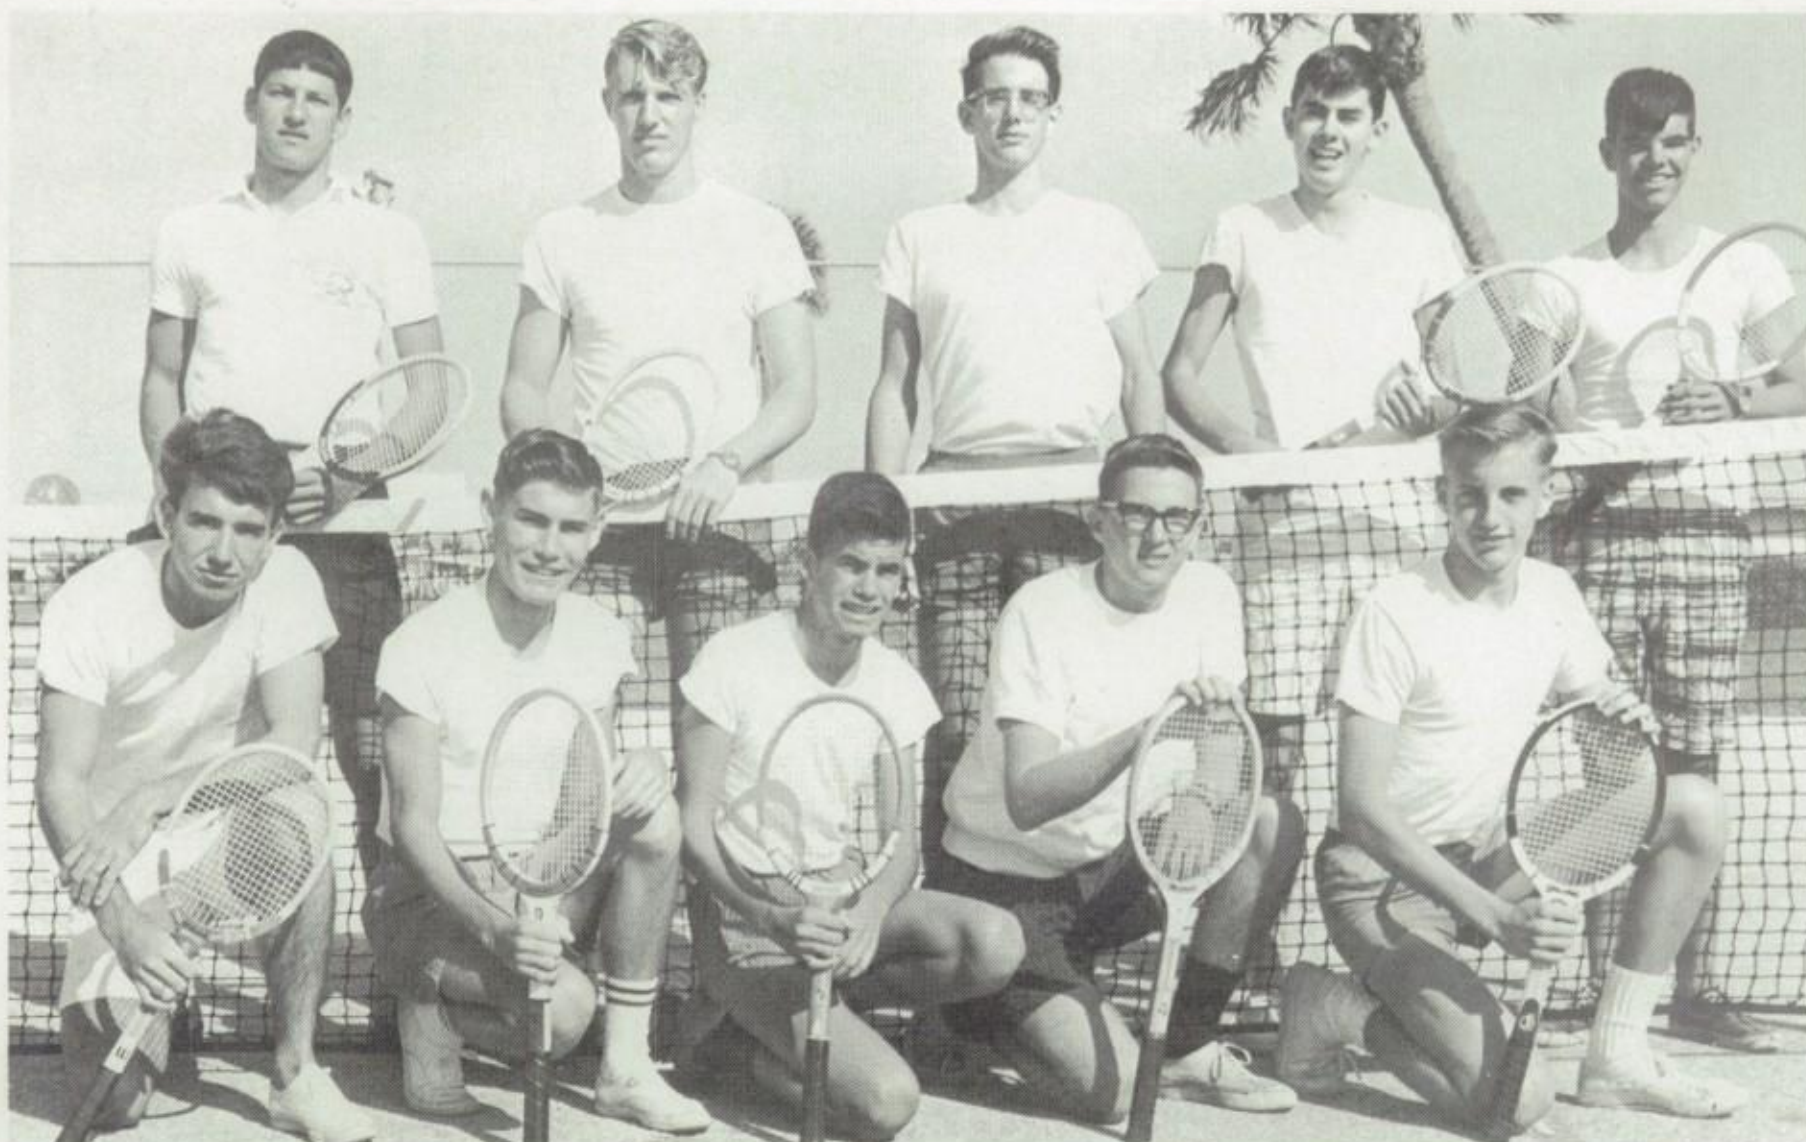

440 relay team: Ray Yerg, Ken Hutcherson, Mike Dunn, Joe Nunes.

Hutcherson and Dunn at the gun.

FRONT ROW: Steve Walsh, Ray Jones, Ken Hutcherson, Alan Curtis, Joe Whitaker, Ray Yerg, Ron Langford. SECOND ROW: Bob Graham, Bruce Currie, Larry Clifton, Bob Lowery, Bill Fisher, Dave Archer, Wiley White, Mike Sellman. THIRD ROW: Brian Jeffries, Gary Soehner, Randy Higgins, Glenn Taylor, Rick Scheller, Larry McFall, Ken Drake, Richard Bowman. FOURTH ROW: Bill Arcuri, Tom Higgins, Frank Schimkis, Richard Scruggs, Dave Mayo, Pat Fagianelli, Bob Fisher, Joe Nunes. FIFTH ROW: John Creech, Jim Foster, Mike Dunn, Dan Fitzgerald, Jim Sherman, Joe Parker, Billy Blackmon, Dan Parker. BACK ROW: Steve Hess, Bob Jobin, Randy Faigley, Bob Cullen.

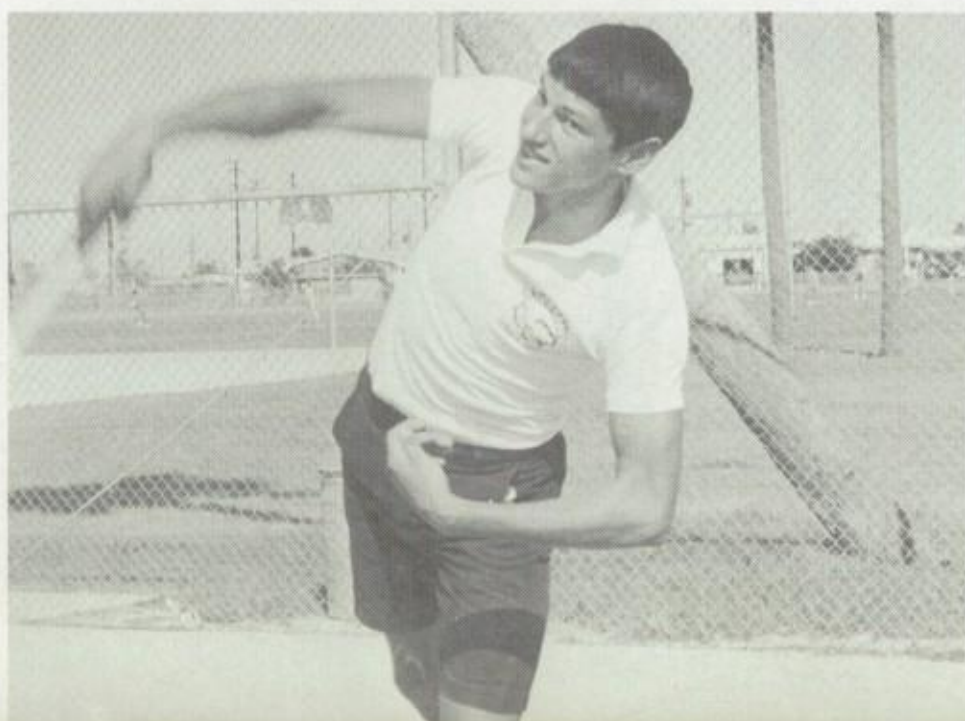

FRONT ROW: Mandy Calleja, William Bell, Chuck Bergman, David Smith, Don McKinney.
BACK ROW: Buddy Smith, Terry Baughman, Frank Nunes, Don Schurlknight, Tom Houck.
Not Pictured Joe Tanner.

tennis team raises big racket

Tennis, once considered a royal game, is now enjoyed by many, especially eleven Satellite students who comprise the tennis team. Coached by Mr. Kyvik, the tennis team was continually trying to perfect their strokes. Lead by the experience of Buddy Smith and Terry Baughman, lettermen from last year, the team took on such inter-county foes as Cocoa, Cocoa Beach, Titusville, and Eau Gallie.

Buddy Smith smashes a serve.

Terry Baughman returns a serve.

golf swings into action

Bruce Barnhart shows excellent form.

Greg Synder, Ronald Reed, Coach Akin, Mickey Scott, Bruce Barnhart.

varsity managers help teams reach success

P. Fagganelli, E. Wygal, W. Lewendowski, C. Carter, P. Summers, J. Nunes. Not Pictured: B. Vernon.

activities

Homecoming Dance

STUDENT COUNCIL OFFICERS Seated: Linda Whiteside, Sec; Charmaine Fagnant, Treas. Standing: John Creech, Vice-pres; Jim Sherman, Pres; Bobby Drake, Parl.

STUDENT COUNCIL front row: Charmaine Fagnant, Linda Whiteside, John Creech, Bobby Drake, Mr. Geronimo, sponsor row 1: Charles Bass, Joe Whitaker, John Wenk row 2: Jan Morris, Meg von Gorhen row 3: Charlene Jordan, Kathy Moore, Tommy Eason, Kathy Isley row 4: Mary Roberts, Bill Blackmon, Randy Patton row 5: Shirley Brill, James Hess, JoAnn Santomassino row 6: Kathy Kelley, John Gunther

student council works for intra-

The Student Council serves a two-fold purpose at Satellite, as a governing body for the students and as an intermediary between the students and the administration. An especially notable project was raising money for the DeLaura Scholarship, created as a memorial to Satellite's first principal and used to help worthy seniors pay college expenses. This year the Student Council and the rest of the student body welcomed our first foreign exchange student, Alfredo Maggiani, from Italy. The Council worked enthusiastically to collect money for the American Field Service to bring another foreign student to our school for the next school year. The Council also sponsored the Brain Bowl team and the Film Classics Club, paying all expenses for these organizations.

Student Council sells Christmas cards for American Field Service to send a student abroad.

school cooperation

Students enjoy themselves at the Homecoming Dance.

hall of fame

The 1964-65 Satellite Scorpio has established a new section, the Hall of Fame. It is to give honorable mention to outstanding seniors who have done something for the betterment of Satellite High School. They were not selected because of high grades in one subject. They had to be all-round students to be considered. Personality and character were highly considered along with general academic standards.

BRADFORD SWING

As president of the National Honor Society, Mathematics Club, and the Film Classics Committee, and vice-president of the regional National Honor Society, Brad well deserves his place in the Hall of Fame. His scientific ability enabled him to attend the State Science Fair in 1963 and to take several place awards in regional and school fairs. Other interests include photography, numismatics, swimming, and philately. After graduating from Yale which he hopes to attend, Brad plans to become a corporate lawyer.

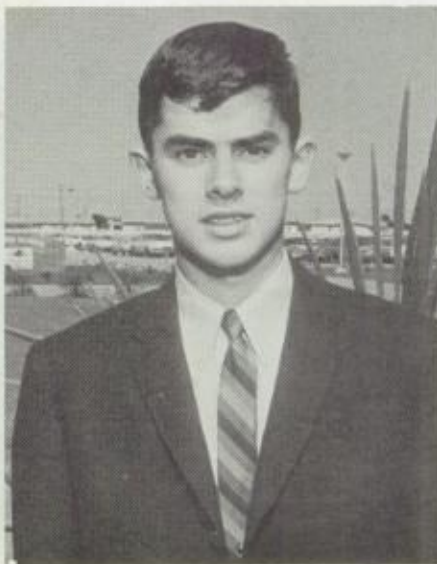

ANN KATHRYN WRIGHT

Born in Jackson, Michigan, eighteen year ago, Ann has lived in Florida for eleven years and in Satellite Beach for six. During her high school years, she has been active in the Tri-Hi-Y, Folksinging Club, National Honor Society, and the Drama Club. A Satellite Scholar and literary editor of the 1964-65 SCORPIO, Ann's interests include collecting stamps, surfing, reading. While hoping to be a fourth generation at Kalamazoo College in Michigan, she is still vague about further future plans.

SHARON WILLIAMS

Sharon's red head has well become a familiar sight at Satellite in her three years here, as she has been active in many school organizations including the Tri-Hi-Y, Drama Club, Folksinging Club and the National Honor Society. She also won first place in the '63 school science fair, and participated in the Satellite Scholar Program in her Junior year. After graduation from Jackson College, which she hopes to attend, Sharon plans to do social work of some kind or to join the Peace Corps.

DONALD E. SCHURLKNIGHT

Born in Charleston, South Carolina, Don moved to this area from Georgia in December of 1963. An active participant in school activities, he is part of Satellite's Brain Bowl Team, editor of the school newspaper, TELSTAR, introduction editor of the SCORPIO, and a member of the Drama Club and tennis team. Don enjoys swimming, reading, listening to music and traveling. Northwestern University or Duke University are Don's college choices, followed by a career in either mathematics or language.

JAMES M. SHERMAN

A native Floridian, Jim is known to all at Satellite as Student Council President and as captain of the '65 Varsity basketball team. Besides these, he is also a member of the National Honor Society, Interact, and the Letterman's Club. Special interests include swimming, and, of course, basketball. Jim is planning a career in aerospace engineering.

KAREN DODD

Another of Satellite's outstanding seniors, Karen was born in Dayton, Ohio, on January 6, 1947. She moved to Satellite Beach in February of 1962. Before attending Satellite, Karen was enrolled at East High School in Wisconsin, and Bishop Moore in Orlando, Florida. Karen's many interests include reading, playing bridge, and playing the piano. In the past year she has been an active member of the French Club, Ten Tones, and the Bridge Club. Karen plans to attend Georgetown University in Washington, D. C., to study languages and eventually work in the Foreign Service as a translator.

SALENA MEREDITH STEELE

A student of three other high schools before she came to Satellite, Sally has taken an active vote in student activities here since she arrived in December of 1963. A member of Wheelindas, Gymnastics, and the G.A.A., she enjoys sports of any kind and plans to seek a career in Physical Education. In her Senior year, Sally was chairman of the Senior Skits and the Senior Trip Committee. After graduation, she plans to attend Palm Beach Junior College.

RANDALL PATTON

Born in Marion, North Carolina, Randy attended Socastee High in Myrtle Beach, South Carolina before coming to Satellite in the fall of '62. He won a blue ribbon in our first school science fair and took a second place in the regional fair. A student council representative and vice-president of the National Honor Society, Randy has also played for two years on Satellite's Varsity basketball team. Next year Randy plans to attend the University of North Carolina, and after graduation he would "like to go into geology."

WILLIAM H. ROBERTS, JR.

As an active participant in Explorer's, Young Friends and Eagle Scouts, a National Merit Semi-finalist, a member of the Brain Bowl Team, a three year Varsity letterman and member of Letterman's Club, Bill has earned his place in the Hall of Fame. Sports and hobbies such as surfing, sailing, skiing, chess, bridge, and hunting keep Bill busy in his "free" time. A law practice and possibly a political career are in Bill's future plans after graduation from Yale which he hopes to attend next year.

**BRENDA EYONNE BATES**

A head-majorette since the seventh grade, Brenda has won numerous medals and trophies for her skills in this area. Her other interests include skiing, modeling, and racing, and she has received awards in both go-cart-racing and beauty contests. After graduation, Brenda plans to attend business college in preparation for a career as a court reporter or model.

**BEVERLY JEAN ROSS**

Music is one of Bev's major interests and she has received a number of superior ratings at state and district contests for her outstanding ability. She is also active in FTA, Honor Society and her church. Bev was a National Merit Semi-finalist and was elected by the Senior class as "Most Academic." Stetson University or Stephens College are Bev's college choices, but she is undecided as to a career.

RICK BAILEY

Latin Club, FTA, Honor Society, Folk-singing and Band are among the varied activities in which Rick has participated at Satellite. In addition to his extra-curricular activities, he placed as a National Merit Semi-finalist. Special interests include music, electronics and bicycle riding. Rick plans to attend Trinity, Williams, Hamilton or Baldwin College where he will prepare for a career in theoretical physics or mathematics.

**LYNN McKINNEY**

Lynn was born in Hampton, Virginia, on July 24, 1947. He attended Graveton High in Alexandria, Virginia, before moving to this area in March of 1962. Lynn received a special honor in getting a nomination for appointment to the U.S. Naval Academy at Annapolis. He is particularly interested in the Math Club, Annual Staff, Drama Club and is a member of the National Honor Society. After graduation, Lynn plans to attend the U.S. Naval Academy or Georgia Institute of Technology and plans to study nucleonics.

**CHARMAINE FAGNANT**

Known to the students as secretary of the student council, Charmaine was chosen as another of this year's outstanding seniors. Charmaine has been serving on student councils since 1961. She is also secretary of the Teen Branch of South Brevard Beaches Chamber of Commerce. Charmaine's main interest is in the field of music. She plays the accordion, bell lyre, tympani, drums, and other percussion instruments. She also is a member of the Advanced Concert Band.

**ARLENE ROTHLEIN**

Composer of Satellite's Alma Mater, Arlene has displayed her gift of music many times in her two years at Satellite. Arlene, born January 8, 1947, in Miami Beach, attended Miami Senior High School before coming to Satellite in June of 1963. Arlene has had many honors bestowed upon her during the past year; she is president of the Concert Choir; she received a "superior" rating on her piano entry at the National Federation of Music Junior Festivals-1964, and she was elected chairman of Lake District National Federation of Music Clubs for 1965 Junior Festivals. Arlene's plans for the future include attending Florida State University to further a career in music composing and arranging.

JOE NUNES

Moving to our area from Germany in September, 1963, Joe has participated in many student activities. He was vice-president of FTA and varsity football manager this year, and also has received numerous ribbons in track competition. Writing, reading, and tennis comprise a few of his special interests. He will attend the University of South Florida next year after which he plans a career as a lawyer.

**KEN HUTCHERSON**

Known to everyone as Mr. Football and Mr. Satellite, Ken is certainly one of the outstanding seniors in the class of 1965. His other honors include the Tom McAnn Award, All-County, and All-Mid-State, and participation in the North-South All-Star Game. Ken first moved to this area in 1958, and attended Eau Gallie Junior High before attending Satellite. He is especially active in the Interact, and his favorite hobbies include surfing, hunting, waterskiing, and scuba diving. Ken plans to attend the University of Miami and to eventually become a Marine Biologist.

**LESLIE BREY**

Born in New York City, Leslie moved to Satellite Beach in June of 1962. Before attending Satellite, she was enrolled in Notre Dame High School in California. Leslie was a candidate for Homecoming Queen and Scorpio Queen. She also was a Satellite Scholar, secretary of her Freshman, Junior, and Senior Classes, and Committee Chairman of Alumni Night Tea. Future Teachers of America, the Latin Club, and the Paramedics are organizations in which Leslie has particular interest. Her future plans include either teaching languages or studying law and government.

Our Senior Princess Reigns, Cathy McKenzie

One of the highlights of our year was the annual homecoming. This colorful ceremony was touched off by the pre-game presentation of floats arranged by Interact and Wheelindas and the Girls' Athletic Association. The climax of the evening came at half-time. The candidates for Queen and princesses and their escorts formed a royal procession through a corridor made by the band. Paula Balberchak was crowned queen by Jim Sherman and received congratulatory kisses from the football co-captains. To make the evening complete, the football team scored a decisive victory over Evans High School. To round off the festivities, a semi-formal dance was held, following the game, at Patrick Officers' Club.

Her hopes fulfilled, Paula Balberchak Homecoming Queen—1964-65

Royalty of the Junior Class—Brenda Sturgell

Sophomore Princess, Pam Besley, and candidate, Pam Driskill

Jeanne Lucas, Scorpio Queen of 1964-65

From a number of nominations made by the Scorpio staff, the student body selected Miss Jeanne Lucas, our 1965 Scorpio Queen.

Jeanne has been an active participant in extra-curricular activities in her three years at Satellite, representing the school as a cheerleader, FSA, and Wheelindas member. She has also served Satellite by participating in the Student Council as a representative.

Music and dancing occupy Jeanne's time away from her busy school life. Our Scorpio Queen wants to attend the Business University of Tampa as preparation for a career as a professional secretary.

queen and mr. football

During a contest sponsored by the Girl's Athletic Association, the student body selected Ken Hutcherson as Satellite's Mr. Football—a title he fully deserved. Ken has played football for six years, and as fullback on our championship team this year, he was high scorer in the county and first in rushing yardage. He was also chosen as fullback on the All-County Team and earned a berth on the Mid-Season All-State Team. In addition to his football, Ken was active in Interact and the Lettermen's Club, and co-captain of our football team. Our Mr. Football, who is looking forward to college and a career as a marine biologist, enjoys surfing, water skiing and his skateboard.

Ken Hutcherson, Mr. Football of 1964-65

tradition of service to community inspires

Duane Busse
Our Big Wheel

Wheelindas, sister club to Interact, is under the sponsorship of the local Rotary Association. Established as a service organization, the club engaged in worthwhile projects aiding both school and community. Among past projects were monitoring standardized tests, operating the concession stands at basketball games and participating in the P T S A and Y E S programs.

Club traditions include the electing of a male "sweetheart" known as "Our Big Wheel" and an annual outdoor dance, the "Spring Fling."

With the purpose of encouraging international understanding and furthering the development of good character in young men, the Interact Club hopes to reach these high goals through unselfish service and assistance to both the school and the community.

Throughout this school year, Satellite's Interact Club has worked diligently toward the standards which have been set, serving the school by publishing basketball programs, monthly clean-up details and filming the political rally and voting during the November mock election. Community projects include an old clothes drive and rebuilding toys for needy children. The club also participated in the Homecoming parade, winning first prize for their float, constructed jointly with the Wheelindas, and in weekly luncheons with their sponsor, the Rotary Club.

Cathy McKenzie,
Interact Sweetheart

As a Christian organization, Alpha Theta Tri-Hi-Y is dedicated "to create, maintain and extend throughout the home, school and community high standards of Christian character."

The first girl's service club organized at Satellite High, Alpha Theta has served the school and community with such projects as assisting in the United Fund Drive and filling Thanksgiving and Christmas baskets. Lighter moments included the South Florida YMCA conference, and several slumber parties.

Boyson, Jerry Martonic, David Smith, Frank Nunes, Harry Cannon, Janet Van Pelt, Virginia Hardaway

To instill an interest in both modern and ancient Greek is the primary function of the Hektakon Society. There is at Satellite High School a student who speaks modern Greek, another who knows "New Testament Greek," and a few who want to learn the rudiments of ancient Greek, which for hundreds of years was part of the sum of knowledge of educated men. The Saturday meetings of the Hektakon Society are devoted to exchange of these talents and knowledge.

serve their community, state, country and world

Sponsored by the YMCA, a state, national, and international organization, Phi-Delta Hi-Y was organized for the purpose of fellowship and service, not only for the school, but also for community and world. Each member is expected to give his share of the time, effort, and money necessary for the functioning of the club and to maintain the standards set up in the platform—clean speech, clean sportsmanship, clean scholarship, and clean living.

During the year, the club engaged in various outdoor activities and several money raising projects.

language groups explore cultures and traditions

Le Cercle Français provides an opportunity for the students to extend their study of France, the French people, "la jeunesse de France," and the culture of this beautiful, gay, romantic country.

The students went to Brevard Junior College in early December to participate in a Christmas program, "Entre Nous"—a sing-along of French carols.

In January Le Cercle sponsored a Language Banquet with each language club at Satellite bringing food and entertainment, representing its country.

The highlight of the club's activities was Le Congrès de Culture Française de la Floride held in Miami in April. After much preparation twenty students participated in the state-wide contest in various categories: dictées, plays, skits, and extemporaneous speeches. C'était un bon temps!!!!

Viva la belle France!

Deutschen Verein, The German Club, believes that the study of the German language and culture goes beyond formal classroom activity. The Club tries to impress upon the school and community the virtues of the German culture. Members expressed interest in German life by participating in many varied activities such as carol singing (in German, of course!) and the German Club banquet.

Teachers sent to Siberia, Revolution Dances, the Russian banquet and folk songs and dances kept Russian Club members busy throughout the year. School service was also an active part of the club's calendar.

Through these activities, an interest and knowledge of the Russian people, and language was developed and expanded. A study in depth of the Russian culture was also included in the year's program.

language skills and cultural knowledge

Officers: Ann Wright, Ray Huey, Sandy Geist

Caught ya' didn't they? Bet ya' didn't think they could?

To further knowledge of the Spanish language, culture and people—this is the purpose of the Spanish Club. To accomplish the end, the club took two field trips during the year. On the first, which was made early in the year, the club traveled to St. Augustine, where it visited such places as the Old School House, the Fountain of Youth, the Old Jail and Fort San Marco. A later trip to Tampa took the students to Ibor City, the Spanish section of Tampa where they ate at the famous Spanish Colombia Restaurant. The group also participated in the annual language banquet.

varsity cheerleaders encourage school spirit

Leading the cheering at football and basketball games, the Varsity Cheerleaders helped Scorpions score an "A" in school spirit.

In addition, they helped boost the school's morale by conducting pep rallies, decorating the goal posts, and planning spirit weeks. As part of their training they are required to attend the State Cheerleading Clinic in the fall and also to conduct the Junior High School Cheerleading Clinic.

Besides promoting Scorpion spirit among the students and faculty, the Varsity Cheerleaders add color and pep to Satellite's sports.

Cathy Wynne, Sue Strobak, Wendy Neill, Kathy Pavlakos, Cindy Cone, Marsha Martinez.

junior varsity cheerleaders equal school spirit;

Satellite's first accredited stage band consists of a group of talented young musicians having a particular interest in the field of dance music. Their repertoire ranges from "A Swingin' Safari" to "When You Wish Upon A Star," and all music requires that an individual have ability to perform well both as part of a group and as a soloist. Besides entertaining professionally at dances, the stage band participates with the marching and concert band in all its functions and activities. This specialized group highlighted their year by taking part with chorus in the sensational musical production of "On With the Show."

These seventy enthusiastic well-trained students, strikingly garbed in scarlet robes, have consistently won acclaim for their endeavors in the world of music. The group's annual performance of Handel's MESSIAH shortly before Christmas, gave inspiration and pleasure to all who attended. The repertoire of the choir included a wide range of selections of sacred music, Christmas carols, spirituals, showtunes. The skill, versatility and colorful appearance of the choir have served to establish an enviable reputation for this talented group among the public. The choir has co-operated with the band in their candy-selling project.

music in all forms is enjoyed by all the students

Two specialized musical groups that have added beauty and variety to programs and concerts at Satellite this past year are the Girls' Choir and Madrigal Group. The Girls' Choir, composed of carefully selected and variously blended soprano and alto voices, has provided musical entertainment for the student body and the general public throughout the year. As a result of diligent study and practice, these girls have achieved a unique group displaying fine musical talent.

The Madrigal Singers are a newly-formed group at Satellite this year. Approximately twenty-five music enthusiasts meet twice a week before school to harmonize on these Elizabethan English favorites for their own enjoyment. Commonly known as rounds, these Madrigals, dating back to the sixteenth century have had a rebirth of popularity at Satellite because of the talent and uniqueness of this group, displayed in their fine performances.

These two very special parts of the music department add the spice of anything from Shakespearean Madrigals to the latest, catchy musical comedy lyrics to the Satellite High School concerts.

Folk-singing group meets to discuss hootenanny plans.

Accompanied by the mellow sound of guitars, a variety of folk songs, and a great deal of laughter, Satellite's Folk Singing Club completed a busy and musical year. As a school service, the group gave hootenannies to help other clubs raise money. Especially memorable was the winter hootenanny produced for the FTA. The club also donated a book to the school library. Song fests, guitar lessons, records, films, and a study of American Folk lore highlighted club meetings. The Folk Book, compiled at the end of the year and containing many favorite songs, will serve as a monument to the memorable year.

DRAMA CLUB row 1: Ann Bolin, Cathy Strobak, Lohra Dunlap, Janet Van Pelt, Cathy Birdsong, Shirley Brill, Ann Wright, Virginia Brady, Donna Simoneau, Susan Klumph, Linda Brown, Sharon Williams row 2: Harriet Knox, Lynda Werry, Pam Kovach, Linda Diaz, Bonnie Wong, Shirley Trainor, Bonnie Robertson, Karen Berge, Koy Waddell, Judy Brant, Diane Doherty, Terry

drama club presents "arsenic and old lace;"

One of the most active clubs at Satellite High School, the Drama Club presented, as its major project, the play *Arsenic and Old Lace*. Members became acquainted with the various aspects of the theatre by acting, directing, and working in the technical fields of play production. By participating both on and off stage, members learned of the advantages and importance of dramatic art. Besides this presentation, the club staged various programs including a special Christmas benefit performance; an additional Christmas program was held for all club members.

Guest speakers and varied programs enriched club meetings, and a club library was formed with books and magazines concerning drama available to all members. Members also had the opportunity to see several of the plays presented in this area during the year. All these activities made the year a full and memorable one for all Drama Club members.

FTA members are teachers of tomorrow. Through the Vineta Raley Chapter of the Future Teachers of America, students learn of those qualifications identified with the teaching profession. The club seeks to enable its members to study the traits and aptitudes which are basic or related to successful teaching.

The Future Teachers of America is an organization designed with many purposes. It attempts to offer potential teachers appropriate experiences to help them develop readiness for college programs of teacher education. It offers aids to the problems a future teacher may encounter by placing the student, as an observer, in actual classroom situations. Finally it gives a student the benefit of new methods and teaching techniques from lecturers and noted educators.

In addition to upholding the tenets of the state and national organization, the FTA at Satellite High School awards scholarships to deserving college-bound seniors.

FTA officers with banquet guests, Mr. Denham and Mr. and Mrs. Paskel.

letterman's club formed at satellite high

This year another club joined the ranks of organizations at Satellite High School. The Letterman's Club formed a charter group of thirty members, young men and young women who had earned varsity letters. Further membership is to be by invitation. Designated as a service club, the members strove to improve school spirit and promote better understanding

between schools through the various athletic competitions. Specific projects included ushering at basketball games and painting the backstop at the baseball diamond. The club hopes to build this organization into one of considerable significance at Satellite High School.

Sponsored by the Girl's Physical Education Department, the Gymnastics organization offers an opportunity for interested girls to increase their skill in all phases of gymnastics. Under the instruction of Mr. Richard Weatherell of Sea Park Elementary school, the group works with the uneven bars, trampoline and other equipment. One of the few such clubs in Florida these Satellite Girls hope to inspire other schools to follow their example. Besides traveling demonstrations to acquaint P.E teachers with this exacting but rewarding sport, the gymnastics group also performs during halftime at basketball games at home and around the county to popularize such competition. Their ultimate goal is an organized system of competition throughout the state.

assistants' aid proves valuable to teachers

An active and growing interest in the physical sciences paves the way for the Satellite Lab Assistants. These students are laying the foundations for a basic knowledge of laboratory equipment and procedures and are furnishing interesting demonstrations that our busy science teachers do not have the time to prepare for science classes. The experience that these students gain at Satellite will prepare them for more advanced work at college and will shape them into scientists of tomorrow.

The Physical Education Assistants are assigned the small, but vitally important tasks which would otherwise consume much of the teacher's valuable time. Among their duties are: checking roll and proper dress, conducting class in the teachers' absence, and regulating the use of the equipment belonging to the Physical Education Department. The experience and knowledge that these girls gain today will mold the efficient and organized physical education teachers of tomorrow.

students comfort the patients of brevard hospital

RED CROSS

Creating an interest in the medical profession is the primary goal of the Paramedical Careers Club. Members assisted nurses and physicians at the Brevard Hospital, where they receive a thorough introduction to medical life and routine. Making holiday favors and gifts for patients and talks by guest speakers constituted a vital part of the club program.

Horace Mann, a leader in education, has said of the Red Cross: "We learn by doing. The same is true of Red Cross work. We are doing something for someone, and hence it becomes a part of us." While working with various service projects, Satellite's chapter of the Red Cross has surely found this statement to be true.

students work in the library to help others

A generous donation to the DeLaura Scholarship Fund was the major goal of this year's Library Club. To accomplish this purpose, the club sold soap which had been hand-decorated by the members. The annual Christmas party added a lively touch to the year.

Shelving books, straightening magazines, cutting, filing, cataloging, sorting—the list may seem long, but to the library assistant, this was all in a day's work. These busy students served Satellite by helping to make the library more useful to all while gaining valuable knowledge of library functions.

satellite high school produces its own newsletter

Officers: Frank Nunes, Vice-pres.; David Smith, Treas.; Kathy Lott, Sec.; Don Schurlknight, Pres.

Anyone having trouble with layouts?

Following the first issue of a newspaper at Satellite High School in December, 1962, a school-wide contest was held to decide upon an appropriate name for the publication. The winning entry, **The Telstar**, was submitted by Phil Hall, class of 1967. Since that time efforts have been made constantly to improve the school's newspaper, and **The Telstar** has become an integral part of life at Satellite High.

The Telstar has at once supplied newsworthy information to the student body and offered to those particularly interested in the school paper an opportunity to develop journalistic talents.

Sitting: row 1: Bonnie Robertson, Pamela Harmon, Harriet Knox, Karen Sculley, Marcia Ducote, John Etridge, David Pruitt, Kathy Smith sitting: row 2: Janice Withers, Cheryl Shulgin, Jeanne Winter, Sheila Blyth, Diana Lewis standing:

Editors admire finished product.

students participate

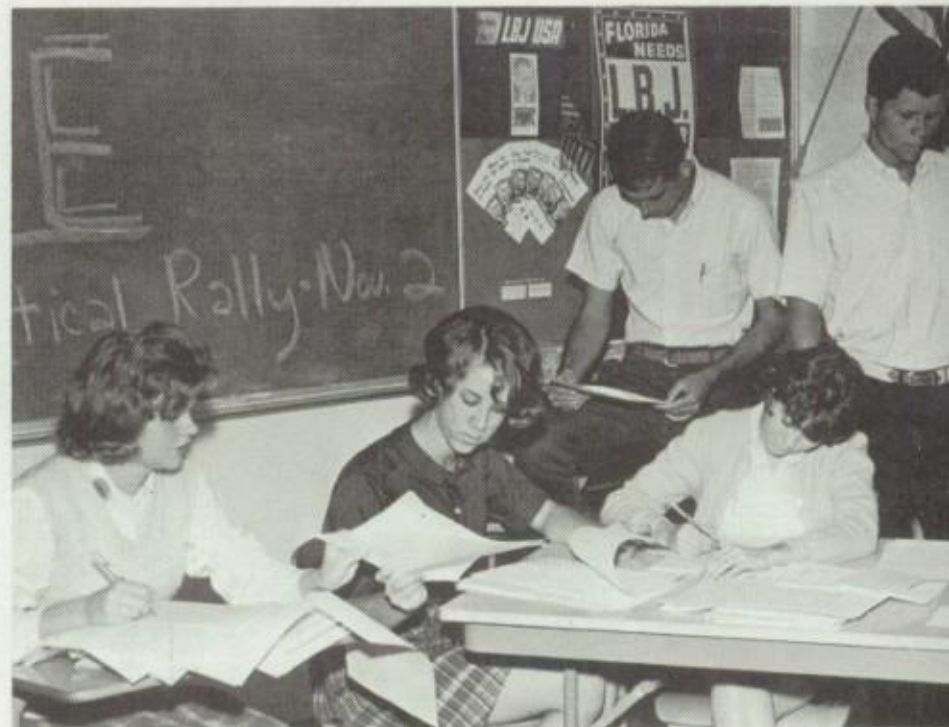

With the 1964 Presidential election came the need for accurate and impartial information. To fill this need, **Scope** was born.

After long hours of work, the staff published two editions of this informative newsletter, one dealing with the presidential election, the other with the congressional and gubernatorial races within the state.

Culminating this effort to inform the students were the political rally and mock election, both products of the **Scope** staff's imagination and planning.

Spirit, Beliefs, and Political Activity Mirrored in Rally

actively in elections

The 1964 Presidential election—a heated campaign from both sides. Students at Satellite joined the political race by forming two groups—one supporting each major candidate—which played active parts in stirring school interest in the election.

By putting up posters, making speeches and participating in the school-wide rally, these groups did much to help make Satellite the most politically minded school in the county.

conciseness and accuracy work hand in hand;

Learning more about the world of computers and mathematical complexities, the Math Club highlighted the year with field trips to several of the universities in Florida and various local industrial concerns.

Membership in Mu Alpha Theta, an international high school and junior college mathematics club, is honorary with minimum eligibility requirements of four semesters of college preparatory math, enrollment in the fifth semester, and an over-all B average in high school work. Only schools with excellent mathematical programs can earn club membership as courses, teachers and students are examined by the organization's governors and officers.

The Brain Bowl team, coached by Mr. Bisceglia, was organized for the purpose of promoting intellectual competition among the local schools. Every member of the team is a specialist in at least one of the several areas covered in the matches. Among these are literature, the fine arts, math, and the sciences.

Sponsored by the Student Council, the members of the team received letters from the organization in recognition of their fine performance and representation of Satellite. The Brain Bowl team has brought credit to the school through the quality of their work and their action at the contests.

various aspects of photography at satellite

The Film Classics Club presented Satellite High School with another year of high quality films for student viewing, both after school and in the evening. This group obtains movies which could not usually be shown in the individual classroom and which would significantly enrich the students' understanding and appreciation of particular historical events or periods and of great works of literature.

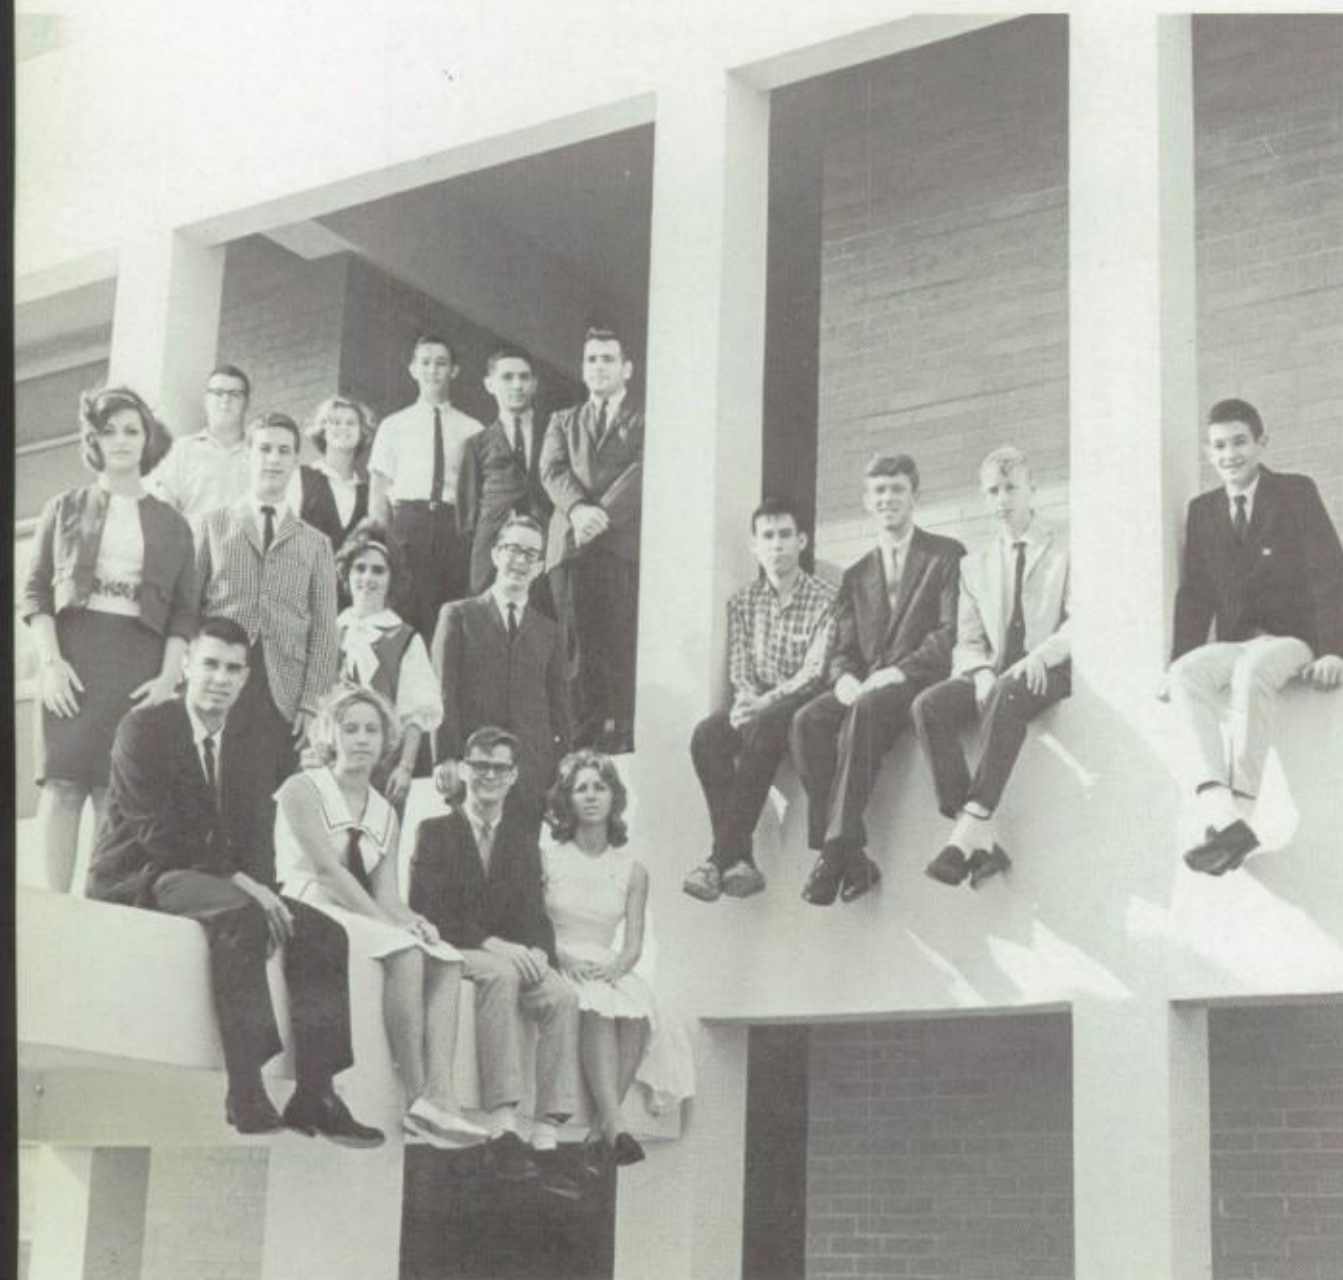

This year films such as *Juarez*, *Les Miserables*, *Hunchback of Notre Dame*, and *The Making of the President, 1960*, have been presented for student enjoyment.

The camera bugs of Satellite High could be seen everywhere recording the year's memorable events. The club's chief service is providing comprehensive pictorial material for the annual and the newspaper. At their informal meetings the members discuss the latest camera techniques and equipment, frequently the members compare and evaluate each other's photography.

"Eight No Trump!!"

It has often been said that bridge is a dull game for old ladies and eccentrics. A casual observer would realize that this description is far from being accurate, having witnessed the commotion of a typical bridge club meeting.

Of course, the main goal of the bridge club is to develop a better understanding of the fundamentals of bridge and to improve bridge-playing skills. Its members have discovered that learning can be fun.

students' hobbies enjoyed within school

The Sports Car Club is one of the new groups to be organized at Satellite this year. The members, most of them already owners or drivers of sports cars, had opportunities to enter rallies and gymkhanas where the participants compete, under safe and carefully supervised conditions,

in contests of driving skill and speed. In preparation for these special events, the members studied the necessary rules and regulations, proper maintenance of equipment, performance characteristics of various popular sports cars and methods of improving the driving proficiency.

student interest in engineering is encouraged

The Jets-Radio Club is composed of "hams" or would-be "hams" who have, as their major goal, the establishment of an amateur radio station at Satellite High School. The group has been fortunate in securing some valuable electronic equipment for the station. In preparation for individual operators' licenses, the members have conducted code practice sessions and studied fundamentals of electronics. Fostering a general interest in "ham radio" is another objective of this group.

The TEC, Tomorrow's Educated Citizens, Club strives to promote public awareness of the importance of technical training and industrial education. Throughout the year the members have taken field trips and engaged in other activities that enable the students to research in their particular fields of interest. One of the club's major money-making projects was the Coffee-Shop in the Gym Arcade where students could gather each morning for companionable sipping of coffee or hot chocolate and munching of doughnuts.

The P.T.S.A. is a relatively new innovation in the educational system. By including the student body in what was formerly an association strictly for parents and teachers, the P.T.S.A. helped all three factions work together to serve Satellite High School. Mr. Denham, our principal, aptly sponsors this group of homeroom representatives which form the student sector of the P.T.S.A. These students guide parents on Parent-Teacher Conference Nights and conduct various projects to improve the appearance of the grounds at Satellite. The service which they render to their student body now helps these P.T.S.A. members to become able and active citizens in their adult lives.

The Gavel Club this year has been organized for the purpose of helping students to gain confidence and poise when speaking before a group and of teaching them correct techniques for public speech. This organization has also worked to provide encouragement and assistance to those seeking to improve their abilities to listen analytically, to think clearly, to write creatively and to speak effectively. Co-operation with the Toastmaster International has given members further opportunity to improve these skills.

national honor society, organization of outstanding satellite students

The National Honor Society looks upon education as a total product measured by four dimensions of life: character, scholarship, leadership, and service. Each member of the club possesses and maintains these high standards.

The primary service project of the National Honor Society is a contribution to the DeLaura Scholarship Fund. Becoming somewhat of a tradition at Satellite is the sale of yarn spirit dolls to raise the necessary money. The N.H.S. also assisted the Guidance Department on College Night this past year. In one sense, the National Honor Society is the epitome of the well-rounded students of Satellite High School.

Whether singing classical music or spirited folk songs, the Ten-Tones are warmly welcomed at any Satellite gathering. Under the professional guidance of Mr. Benington, these ten very carefully selected students branch out into musical innovations that delight any audience. Loaded with talent, they sparkle through their numbers with the aplomb of professionals. Truly, the Ten-Tones are a memory of school days that Satellite students will carry with them long after their graduation.

Hard work and a historical dedication inspired this group of ordinary students to create a living memory of our 1964-65 school life. Many nights the lights burned late as the different departments worked with the pictures, words, lay-outs, and more pictures, not only trying to meet a deadline, but striving to give our school a true and realistic picture of a year at Satellite High.

The organization of the staff was divided into seven sections with an editor and assistants responsible for each. Lynn McKinney was in charge of the Administration Section, Don Schurlknight created the introduction with the inspired artistry of Joel Porter, Sue Porter assembled the class pictures, Margaret Stephensen presented an exposé of school organizations, Jim Hess organized a look at Satellite sports, Nicki Hill presented a general look at school life, Sharon Williams worked on lay-outs for the ads, and our literary sections were contributed by Ann Wright. A unity of all this work and creativity is presented as the 1964-65 SCORPIO.

Elizabeth Gary makes a last minute check of her home economics notebook.

As the year came to an end, the lethargy which had engulfed the student body with the advent of spring changed suddenly into the flurry of activities which accompanies last-minute projects, uncompleted term papers, final exams—clearing, cleaning, collecting—and graduation.

But underlying this upheaval hung thoughts of summer separations, partings, good-byes. Some of us will soon be gone and will never return. Others will leave but will come back. Many will walk these halls again next year and perhaps the next. But it will never be the same; for this year has passed—it is gone and cannot be recaptured. But we will always remember . . .

1965—That was the year that was.

general index

Jim,
I really shouldn't be
signing this after all those
rude comments you gave me. But
since I am the sweet girl
I am, I will.
I know how much you
enjoyed Mr. Lapierre.
Be good and don't brown
this summer. Hope to
see you next year
R. M. a
Ellen Stafford

(Himmes) I know I haven't been
 here very long but I'm glad
 I did get to a sweet bay. I'll
 never forget - never forget the fun
 we had.
 Always,
 Cheri

Henry
Hick

Dear Sir,
 I have been
 thinking of you
 very much lately
 and wondering
 how you are
 getting on.
 I hope you are
 well and happy.
 I am, Sir,
 Your obedient
 servant,
 J. B.

Jim
 To a real sweet
 guy I was glad
 I could have a class
 with you. Hope we
 can have some more classes
 together next year.

Good Luck. Have fun
 this summer.
 RMA.

Ginger Miller

P.S. Hope you like St. Louis

We of the 1965 SCORPIO Staff
 have created a book
 which records the events
 of the school year, in a manner
 unprecedented at Satellite.

Original ideas have enabled us
 to incorporate new features,
 such as the Hall of Fame and
 the General Index.

We hope to have constructed
 an annual which will recall to mind
 the outstanding events of the year
 and capture the spirit of SHS
 within its pages. In doing so
 we have dispensed with many traditions
 established in past years.

We have combined tradition and
 modernity in the make up
 of this book in hopes that
 it will represent the feelings
 and emotions of the Satellite student body
 of 1965.

As Editor-in-Chief,
 I would personally like to thank:
 Bryn-Alan Studio,
 for being our friend as well as
 our photographer and giving us
 excellent work on rush notice;
 Chuck Rogers and student photographers
 for their photographs;
 The Administration and Faculty,
 for its patience and guidance;
 Our Advertisers,
 for interest in the SCORPIO; and
 The Students of Satellite High School,
 for their support.

G. Charles Cherniak
 Editor-in-Chief

Jim,
 To a real good
 guy who has been a nice
 friend since he moved here
 I'm sure they miss you in
 Florida. (HA) You're one of
 the smartest kids in town.
 See you this summer.
 R. M. N. Mike Hollis
 P.S. Deep end.

To Jim,
what's him.

I hope this is where I'm supposed to right
on else I'll go pyroshite.

You a sweet lay
who plays with toys.
I study your latin
and take a trip to Manhattan.
You study my math
or else get out of my path.

Have no fear,
you'll probably see me next year.
(H youa lucky)

R. M. H. - by my sickening
Mary Ed. O'neals.

Jim,
I hope you enjoy
it here in the good
old unpredicable town
of St. Louis. You a real
sweet guy. Stay as cute and
as sweet as you are now. When
you came into Latin class things
really started swingin'. Best of Luck
at Normandy, you'll need it.
Love ya!
Jerry
"Dumb Blonde!"
Ha! Ha!

Well Jim,
Oscar Meyer, little
as you remember your
scare, we be back your
hope, we be back your
see you like a real
and butter you. It's
next year my plate I
Bite your sum. Bye
Love ya! lots!
Dumda
Jim
